**Median amount**

£20

**Can charities help bring the country back together?**

Nearly everyone (88%), regardless of how they voted in the referendum, thinks it is important that people help others.

Most people (69%) think that charities play an **IMPORTANT ROLE** in society and...

**Most have donated** money (57%) or goods (56%) in the last 12 months.

Four in ten (44%) think that charities can improve social cohesion and **HEAL SOCIAL DIVIDES** (37%).

A third of people think that charities have a strong role to play **POST-BREXIT**.
