Important information

All banks face an increasingly stringent regulatory environment, from regulators here and around the world, which requires them to put in place close monitoring of all accounts to ensure they comply with rules for financial transactions. We are required to know our customers and where they send their money, the nature of any partner organisations and the countries and regions in which they operate.

At CAF Bank, we take our obligations very seriously, and review all our accounts carefully and individually to ensure we have the necessary understanding of our customers. In order for CAF Bank to fulfil its account opening administrative requirements and to comply with UK anti-money laundering legislation, before your account can be opened we are required to complete checks on your organisation and on individuals that are involved with your organisation. Wherever possible these checks are performed electronically, minimising the time it takes to open your account. If we are required to contact you for further information this may delay your application.

In certain circumstances, however, it may be necessary to request additional identification documentation which may need to be certified and may delay your application. **Before continuing please ensure that each person named on this application form is aware of how we will process the data.** If you are aware of any individuals who may already be associated with other CAF Bank accounts please notify us in a covering letter to avoid us undertaking our electronic checks again.

In order to improve international tax compliance, the UK has enacted legislation to implement various intergovernmental agreements (including to give effect to relevant European directives and the US provisions commonly known as FATCA).

We are required by UK law to obtain information to verify the identity and tax status of account holders together with the country or countries in which they are tax-resident and, in some cases, also to verify the identity, tax status and residence of the 'Controlling Person(s)' (as defined under the various intergovernmental agreements) of the organisation that is the account holder.

Where the information we hold or collect indicates that you are, or may be, tax-resident in another country, we are required to pass that information and details about your account to HM Revenue & Customs (HMRC) who will, in turn, pass it to relevant foreign tax authorities where intergovernmental agreements to which the UK is a party require the automatic exchange of information for international tax compliance purposes.

If you do not supply sufficient information to determine your tax residence (or the tax residence of your 'Controlling Person(s)') we will also have to report that to HMRC, together with details of your account. HMRC will, in turn pass on details of such account holders and their accounts to the tax authorities of the US and Crown Dependencies.

Where you apply for any product with us, including where you apply jointly with someone else, we may perform a credit search in order to check the details of your credit history with certain credit reference agencies. These agencies will keep a record of that search (including details of your application for a product with us, and whether or not that application is successful) and, for a short period of time, this can therefore affect your ability to get credit elsewhere. If the results indicate that the product that you are seeking would not be suitable, your application may be declined. If your application is accepted we will file information with these agencies about how you manage your product on an ongoing basis. Where you apply in conjunction with someone else, a financial link between you will be created on the records of these agencies.

The Organisation's directors, trustees (through a resolution of the board of trustees), committee, or equivalent must have resolved that CAF Bank is to be appointed as bankers to the organisation, in writing, and have nominated the individual completing this application to act on their behalf.

Please make sure all personal details provided as part of your application are up-to-date and correct. The information you submit for anyone attached to your organisation may affect any personal information we already hold.

If you are a non-UK resident, or are unsure of the documentation or information you need to provide, please call our Customer Service team on **03000 123 456**.

Please ensure you complete each section clearly, in full and in black ink using capitals. Should you make a mistake, please cross out the incorrect entry, write in the correct details above the box and initial the changes. Please do not use correction fluid.

This can be found at cafonline.org/applicationforms or complete a blank sheet listing name, address, postcode and dates for each previous address.

General Terms and Conditions

2 These Conditions

- 2.1 These Terms and Conditions (the 'Conditions' or 'General Terms and Conditions') apply to all of the Bank's products and supersede all previous versions of the Bank's Terms and Conditions.
- 2.2 You will receive a copy of these Terms and Conditions when you apply to open an account and when we make changes to them (please see Condition 20). You can request additional copies of these Terms and Conditions at any time.
- 2.3 Our agreement with you for your Account consists of the *General Terms and Conditions*, the Account Terms, the application documentation, the *CAF Bank Tariff of charges* and any additional service terms and conditions or Tariff of charges which are relevant to your Account.
- 2.4 You acknowledge that in entering into this agreement with us you are not relying upon any undertaking, representation, warranty, promise, assurance or arrangement of any nature whatsoever that was given to you prior to the date of the application documentation, which is not set out in these Terms and Conditions or in the application documentation.
- 2.5 Following receipt by us, all application documentation, Mandates, forms and any other documents provided by you relating to an Account or service will be scanned, unaltered, electronically stored and the original destroyed. The Bank will destroy all scanned copies of documents in accordance with our data retention policy in place from time to time. Historical scanned copies or original documents currently held by the Bank will also be electronically stored and the original destroyed.
- 2.6 We shall not be responsible to you for any loss you may incur if we are prevented from, or delayed in, providing you with any banking or other services due to abnormal and unforeseen circumstances beyond our control, the consequences of which would have been unavoidable despite all efforts to the contrary.
- 2.7 The Bank will hold the money placed in any Account offered by the Bank - and any income earned from it - as principal, and will manage and deposit it on these Conditions, as amended from time to time in accordance with Condition 20.
- 2.8 All cut-off times quoted in these Conditions refer to London time.
- 2.9 All correspondence and communication between you and us and us and you will be in English.
- 2.10 Please note that we are unable to accept instructions to open accounts other than in writing, by post.
- 2.11 Instructions to effect financial transactions or changes to standing data can be provided in writing. Where reference is made in these Conditions, in the Account Terms or in any additional service terms and conditions which are relevant to your Account to communication being 'in writing', such reference is to communication by:
- post; or
 - where permitted in the Account Terms for the Account in question, by scanned written instruction under cover of an email sent to the email address specified in such Account Terms and to which you have received an express acknowledgment of receipt from us (not, for example, an automated reply of any kind); and in each case, unless otherwise specified in these Conditions, in the Account Terms or in any additional service terms and conditions which are relevant to your Account, such communication is subject to the following:
 - we will accept the signature(s) of anyone who has been authorised in writing or by another agreed durable medium by you to give instructions on your behalf;
 - emailed scanned instructions received by us, that it is reasonable for us to assume have been signed on your behalf in accordance with the Mandate in place in respect of your Account, will be treated by us, and followed and relied on by us, as if they had been original documents received by post; and
 - you are not required to provide written confirmation of your emailed scanned instructions to us. If you do so, you must mark your letter as "Confirmation of Emailed Instruction" otherwise we will think that this is a new instruction and process your request twice. If you do not provide such written confirmation, however, this will not affect our right to rely on the emailed scanned instructions.
- Instructions to make payments to your other CAF Bank Accounts or to your nominated accounts can also be provided using our Telephone Banking Service.
- 2.12 We may contact you to advise that there may have been suspicious activity on your Account or using a particular service that we provide (for example, the Online Service) or leave a message asking that you contact us as soon as possible. If we leave a message asking you to contact us, you must do so as soon as possible to help us prevent the risk of fraud on your Account.
- 2.13 We reserve the right to delay, decline or reverse any instruction given to us by you or on your behalf if:
- it involves a transaction which exceeds a particular value or other limit or restriction which applies to your Account or to a particular service;

- the transaction has not been properly authorised.

Whenever such an occasion arises, we will make reasonable attempts to notify you, either by telephone or in writing, by the end of the next Working Day unless to do so would compromise our security measures or be unlawful. We will unblock any blocked transaction as soon as practicable once the reasons for the block cease to apply.

- 2.14 If you have any questions or wish to contact us at any point in relation to either your Account or these Conditions, please telephone us on **03000 123 456**, email us at **cafbank@cafonline.org** or write to us at **CAF Bank Ltd, 25 Kings Hill Avenue, Kings Hill, West Malling, Kent ME19 4JQ**.
- 2.15 We record our calls as a record of the transactions and matters discussed on the call and for security and training purposes. The recorded call file is held by us as customer information and covered by the provisions of Condition 14.
- 2.16 From time to time we may ask you to provide us with information to help us meet anti-money laundering, financial crime, sanctions and other legal and regulatory requirements. You must promptly provide any information requested. If you fail to provide this information when asked to, this may result in us delaying or refusing to process your payments, blocking all access to your Account or closing your Account. We will not be responsible for any losses which may result.
- 2.17 In performing our obligations under these Conditions, you and we shall and shall procure that each member of their group and their sub-contractors (if any) comply at all times with applicable laws, statutes, regulations and codes from time to time including but not limited to the Criminal Finances Act 2017, the Modern Slavery Act 2015 and CAF's anti-slavery policy from time to time and the Bribery Act 2010 and each parties' own anti-bribery policy which each party agrees to maintain.

3 Opening an account

- 3.1 To open an account with us you must:
- complete and send us the application documentation; and
 - send us by cheque or electronic payment your initial deposit, which must be for a minimum of £1,000 per account to be opened.

Your cheque or electronic payment must be made payable to your full legal name, or official title or registered working name.

- 3.2 We reserve the right to reject any account-opening application without disclosing the reason(s) for rejection.
- 3.3 Your Account will be opened when:
- we are satisfied that our identification and verification requirements have been met by:
 - you;
 - the persons who are to be Account signatories;
 - the person who will be your Account Contact for the purposes of our dealings with you in relation to the Account;
 - any other individual associated with the Account as specified within the application form;
 - we have completed any other checks we need to undertake to comply with applicable law, regulation and good banking practice; and
 - the funds comprising your initial deposit are available to us for crediting to your Account.
- 3.4 Your Account will be opened in a name that is wholly consistent with the information that you have provided to us as part of our account-opening administration process, unless you are a registered charity, in which case your Account will be opened in the official or working name registered with the Charity Commission, the Office of the Scottish Charity Regulator, the Charity Commission for Northern Ireland.
- 3.5 You may designate your Account with a discrete identification number or descriptor, eg 'The XYZ Charity – Number 1 Account' or 'The XYZ Charity –New Roof Account'. Designation of accounts in this way is a facility offered for your convenience, to enable you to more easily identify funds you have decided to earmark for specific purposes and does not imply or impose any obligation on us to check or ensure that the monies within the Account are actually held or used for the purposes stated as part of any such designation.

Please bear in mind that all payments into and out of any Accounts designated in this way must be made in the name in which the Account has been opened by us including any such identification number or descriptor.

- 3.6 Where you are an organisation applying to open an account for the first time or where you are applying for a new account but there is no account-opening Mandate in place, we will accept the signature(s) of anyone who holds themselves out to be a person holding a role or office that it is reasonable for us to assume has the authority to enter into an agreement or arrangement of this type on your behalf.

4 Deposits and withdrawals or payments

General

- 4.1 Once an Account is open there is a requirement to keep the Account in credit. No Account may become overdrawn without our prior express agreement in

writing (an Arranged Overdraft) unless otherwise stated in your applicable Account Terms. If the balance on your Account falls below zero for any reason, we reserve the right to charge you daily interest at the rate set by us as detailed in the *CAF Bank Tariff of charges* until you return your balance into credit. You must also without delay pay us the total amount your balance is overdrawn by. Any debit interest accrued may be off-set against the next interest payment credited to your Account.

- 4.2 Once the Account is open you may deposit or withdraw sums of any size subject to available cleared funds and to the provisions of Conditions 2.13, 4.3 or 6.
- 4.3 Please make sure you have available cleared funds to fulfill the withdrawal at the time you make the withdrawal request and until such time as the withdrawal is acted upon by us.

Deposits (payments to your Account)

- 4.4 The Bank is an agency bank and not a Clearing bank. Subject to Condition 2.13, we will credit payments which are paid into your Account on the day the funds are received by us.
- 4.5 Please note that under no circumstances should cash or sterling cheques be posted directly to CAF Bank. Any such monies will not be attributed to your Account and it may take us some time to correctly identify their source and return them or we may be unable to identify their source at all; and we will not be responsible for any loss suffered as a result.
- 4.6 Sterling deposits in cash or by cheque can be made at any RBS branch, in Scotland, or any HSBC branch anywhere in the UK, in each case using the relevant paying-in book that we have provided to you. If you do not have a local HSBC or RBS (Scotland only) branch or do not know where your nearest local HSBC or RBS (Scotland only) branch might be, we can advise you. Charges may be imposed by the relevant bank if a bank other than HSBC or RBS is used. Cheque deposits only can also be made at the UK Post Office outlets using envelopes provided by the Bank.
- 4.7 When you pay cash into your Account over the counter at any RBS branch, in Scotland, or any HSBC branch, anywhere in the UK, which are not operating under the Image Clearing System, in each case using the relevant paying-in book that we have provided to you, funds will be available for withdrawal from your Account on the third Working Day following the date of deposit provided that your deposit was made before the cut-off time displayed within the HSBC branch or before the 3.30pm cut-off time for RBS branches. If your deposit is made after the relevant cut-off time, funds will be available for withdrawal on the fourth Working Day following the date of deposit. Please note that deposits will not be accepted, and must not be made, at any bank or branch outside of the UK.
- 4.8 When you pay cash into your Account over the counter at any RBS branch, in Scotland, or any HSBC branch, anywhere in the UK, which are operating under the

Image Clearing System, in each case using the relevant paying-in book that we have provided to you, funds will be available for withdrawal from your Account on the next Working Day following the date of deposit provided that your deposit was made before the cut-off time displayed within the HSBC branch or before the 3.30pm cut-off time for RBS branches. If your deposit is made after the relevant cut-off time, funds will be available for withdrawal on the second Working Day following the date of deposit. Please note that deposits will not be accepted, and must not be made, at any bank or branch outside of the UK.

- 4.9 You can also post sterling cheques, accompanied by a paying-in slip from the relevant paying-in book that we have provided to you, for the credit of your Account to:

For customers wishing to use HSBC:

HSBC Bank plc, City of London Branch, Ground Floor, 60 Queen Victoria Street, London EC4N 4TR

For customers wishing to use RBS:

Natwest, CPU, PO Box 21, 41 The Drapery, Northampton, NN1 2EY

- 4.10 Sterling cheques drawn on UK banks and paid into banks and building societies which are operating under the Image Clearing System, will be cleared for value and available for withdrawal with effect from 11.59pm on the next Working Day following the day of effective deposit.
- 4.11 Sterling cheques drawn on UK banks and paid into UK Post Office outlets which are operating under the Image Clearing System, will be cleared for value and available for withdrawal with effect from 11.59pm on the second Working Day following the day of effective deposit.
- 4.12 We reserve the right to charge for High Volume Deposit Transactions on the following basis, per Account to which the following applies:
- where you make High Volume Cash Transactions, we reserve the right to charge the amount set out for High Volume Cash Transactions in the *CAF Bank Tariff of charges* for all cash deposits made during the whole of the calendar month in question; and
 - where you make High Volume Cheque Transactions, we reserve the right to charge the amount set out for High Volume Cheque Transactions in the *CAF Bank Tariff of charges* for all cheque deposits made during the whole of the calendar month in question.
- 4.13 Different procedures apply if you require international cheque clearing to be made available on your Account. These transactions are subject to separate terms and conditions. Please contact our customer services team on **03000 123 456** between 9am and 5pm on a Working Day for details.
- 4.14 For certain payments received from outside the UK, we may contact you on receipt to confirm the payment is genuine. Payments will not be credited to your Account until this confirmation has been received.

- 4.15 Sometimes a payment may be recalled by the bank that made it (for example, because the person who paid you did not have enough money, or were the victim of a fraud), and sometimes a payment goes into your Account by mistake. This happens rarely, but please keep an eye on your Account and tell us straight away if money appears in it that seems to be a mistake. This is because, to make things right, we can take the payment back out of your Account, even if we have allowed you to make a payment or to take cash out against it. We don't have to tell you before we take the payment back. We will return the payment, even if you have spent the money. If this means any of our charges are triggered, we will still apply them.
- 4.22 We shall be entitled to levy a charge for any payments that we have to reject due to there being insufficient funds in your Account. Details are set out in the *CAF Bank Tariff of charges*.
- 4.23 Dependent on whether the relevant banks involved in the cheque clearing cycle are operating under the Image Clearing System, or not, payments by way of cheque can be made from the second and up to the fourth Working Day respectively following entry of your cheque into the clearing cycle (see Conditions 4.10 to 4.11 for details).
- 4.24 Payments made by way of Direct Debit or standing order can only be made to an account at a UK bank or building society.

Withdrawals or payments from your Account

- 4.16 Subject to Conditions 4.17 to 4.41 (inclusive), you can withdraw funds from your Account by way of:
- cheque
 - standing order
 - Direct Debit
 - Card; and
 - electronic transfer
- in the UK or internationally. Applicable fees for withdrawals or payments from your Account are set out in the current *CAF Bank Tariff of charges*.
- 4.17 A withdrawal or payment from your Account, whether it is a single payment or a series of payment transactions, will be regarded as authorised by you when you provide us with the applicable Security Details and you instruct us to carry out the transaction.
- 4.18 With the exception of future-dated payments, once a payment from your Account has been authorised it cannot be cancelled. Future-dated payments can only be cancelled if your instructions to cancel are received by us before 3pm on the Working Day before the date of execution. Instructions to cancel future-dated payments can be given to us in writing or using our Telephone Banking Service.
- 4.19 When authorising a payment from your Account to another bank or building society account (including, but not limited to, where paying by way of standing order or Direct Debit), you must provide the payee's correct account information: specifically, the sort code and account number and where applicable the roll number (in the case of building society accounts).
- 4.20 If you give incorrect details your money may end up in someone else's account and we may be unable to get it back.
- 4.21 We will make reasonable efforts to recover the payment but we will not be responsible for any losses (of whatever kind and however incurred) that you suffer as a result of the payment not reaching the intended payee or in the course of seeking to recover the payment from the actual recipient. You may also be required to pay a fee, as detailed in the *CAF Bank Tariff of charges*, to cover our costs.
- 4.25 Payments by way of standing order can be set up via the Online Service or otherwise must be requested in writing.
- 4.26 Direct Debit instructions must be given in writing on the form supplied by the payment originator (the organisation collecting the payment). Direct Debits are subject to the Direct Debit Guarantee, which provides you with the following protections:
- if the amount to be paid or the payment dates change, the organisation collecting the payment will notify you (normally ten Working Days in advance of your Account being debited, or as otherwise agreed with you); and
 - if an error is made by the organisation collecting the payment or by us, you are guaranteed a full and immediate refund of the amount paid. The Direct Debit Guarantee will not cover any errors that you make in the payee's details, however, so you need to ensure that the details you include in your instruction are accurate as money paid to the wrong account may not be capable of being recovered for you (see Condition 4.21 for further guidance).
- You can cancel a Direct Debit at any time by contacting us in writing or using our Telephone Banking Service. We also recommend that you notify the payment originator (ie the recipient of the payment). Further details on Direct Debits and the Direct Debit Scheme are available from www.directdebit.co.uk
- 4.27 You can transfer money by CHAPS to another UK bank or building society by contacting us in writing. You can also transfer money by CHAPS to the UK bank account(s) that you nominated on your application form (or on any *CAF Bank Change of nominated bank account form* subsequently completed and returned to us) or using our Telephone Banking Service.
- For such payments:
- valid instructions received by the Bank before 3pm on a Working Day will be processed on that Working Day. Valid instructions received after that time will be processed as soon as possible, and in any case before the close of business on the next Working Day;
 - unless a restriction applies (either elsewhere in these Conditions or in the Account Terms or any other

terms and conditions applicable to the services you are using), they will be credited to the payee's account by close of business on the day of processing unless the instruction is received after 3pm in which case it will be credited on the Working Day following the day your instruction is processed; and

- The sender is solely responsible for the accuracy of all the information detailed in the payment instruction, including the beneficiary account number, sort code, full name and branch of the beneficiary bank. We will make payments based on the information we require you to provide us. If you provide us with incorrect information, we will not be responsible if the payment is not made, it is delayed or if it is made incorrectly,

('CHAPS payments'). Applicable fees are set out in the *CAF Bank Tariff of charges*.

4.28 Electronic transfers can also be made by way of our Faster Payment service:

- unless a restriction applies (either elsewhere in these Conditions or in the Account Terms or any other terms and conditions applicable to the services you are using), Faster Payments will be sent to the payee's account:
 - in respect of Single Immediate Payments, within two hours of your instruction being received; and
 - in respect of Online Faster Payments by close of business on the Working Day following the day your instruction is received;
- valid instructions received by the Bank will be processed on that Working Day:
 - in respect of Online Faster Payments, before 4pm on a Working Day; or
 - in respect of Single Immediate Payments, before 3pm on a Working Day; or

Valid instructions received after that time will be deemed to have been received at 9am on the next Working Day; and

- Online Faster Payments are free of charge, and charges for Single Immediate Payments are set out in the *CAF Bank Tariff of charges*.

The sender is solely responsible for the accuracy of all the information detailed in the payment instruction, including the beneficiary account number, sort code, full name and branch of the beneficiary bank. We will make payments based on the information we require you to provide us. If you provide us with incorrect information, we will not be responsible if the payment is not made, it is delayed or if it is made incorrectly.

4.29 Payments requested in writing to be made by way of electronic transfer to an account at a bank or building society (or equivalent) within the EEA:

- will be made via SWIFT;
- valid instructions received by the Bank before 1pm on a Working Day will be processed on that Working Day. Valid instructions received after that time will be processed as soon as possible, and in

any case before the close of business on the next Working Day;

- unless a restriction applies (either elsewhere in these Conditions or in the Account Terms or any other terms and conditions applicable to the services you are using), they will be credited to the payee's account by close of business on the Working Day following the day your instruction is processed;
- fees apply (as set out in the *CAF Bank Tariff of charges*) and;
- The sender is solely responsible for the accuracy of all the information detailed in the payment instruction, including the beneficiary account number, sort code, full name and branch of the beneficiary bank. We will make payments based on the information we require you to provide us. If you provide us with incorrect information, we will not be responsible if the payment is not made, it is delayed or if it is made incorrectly.

4.30 You can also transfer money by telephone using our Telephone Banking Service to:

- another Account held with us in the same name (subject to any restrictions that apply in the Account Terms for a particular Account); or
- the UK bank account(s) specified on your application form or on any *CAF Bank Change of nominated bank accounts form* subsequently completed and returned to us.

4.31 If you become aware of a payment transaction that has not been correctly authorised on your Account, you must notify us by calling us on **03000 123 456**. Your notification must be made without delay after you became aware of this and, in any case, within 13 months of the date of the transaction. If you do not notify us within this time period, you will not be entitled to reimbursement.

4.32 Where a payment from your Account was made in accordance with Condition 4 and was not authorised by you, we will:

- immediately refund the amount of the payment to your Account and, where applicable, restore your Account to the state it would have been in had the unauthorised transaction not taken place, unless:
 - you have acted fraudulently or deliberately, with gross negligence or we consider there to be reasonable grounds to believe that the payment transaction is genuine, or by failing to comply with these Conditions, (for example, by failing to keep your Security Details safe);
 - there are grounds to believe that you could have reasonably prevented the payment from debiting your Account, (for example, by failing to comply with Condition 11.14).

Sending Money Outside the UK

4.33 Reasonable care in the processing of payments will be exercised by us. Should such care not be exercised,

the Bank will be responsible for losses, but not loss of contracts or profits or other consequential losses.

- 4.34 In some jurisdictions (eg USA), payments will be made to a designated account number, whether or not this account number correctly identifies the intended recipient. It is your responsibility to ensure that both the account number and the name of the recipient are correctly stated in your instructions to us.
- 4.35 For certain payments, we may contact you in advance of initiating the payment to confirm that the request is genuine. Payments will not be released until this confirmation has been received.
- 4.36 Unless you tell us otherwise, we will send the money outside the UK in the currency of the destination country, where available. The beneficiary will receive the funds less the international bank charges.
- 4.37 We do not accept any liability for loss caused by error of the recipient's name or account number in any instruction to us.
- 4.38 We can give no general assurance on the achievement of value dates.
- 4.39 You are not entitled to request us to cancel the payment. We may, however, be willing to agree to try and retrieve funds on your behalf should you request cancellation of a payment. Any refund of the amount retrieved will be made net of all charges and expenses payable to the Bank and any other persons.
- 4.40 When an instruction to send money outside the UK is handled by a correspondent bank before it reaches the beneficiary bank, the correspondent of the beneficiary bank may deduct a charge before sending the money to the beneficiary. We have no control over the amount these banks may charge, and we are not liable to cover any incurred charges.
- 4.41 A charge may be made for enquiries received in respect of both incoming and outgoing payments where we have not made an error, eg refunds, cancellations, amendments, duplicate advice, fate of funds, copies of cleared payments.

5 Account closure or transfer

- 5.1 Your Account will remain open until it is closed by either you or us (or transferred by you) in accordance with this Condition 5.
- 5.2 Subject to any required notice period or procedure in your Account Terms or any applicable restriction in these Conditions of the Terms and Conditions of a service of ours that you use, you can close your Account with us at any time without notice or penalty. We aim to complete any request to close an Account within 10 Working Days.
- 5.3 Where you have been notified of changes in accordance with Condition 20.1 and where the provisions of Condition 20.2 do not apply, you have the

right to close your Account without charge prior to the proposed date of change.

- 5.4 We reserve the right to close an Account or suspend or withdraw any service (including, but not limited to the Online Service) without prior notice if:
- you have breached these Conditions or the Account Terms (or the terms and conditions in respect of a particular service of the Bank that you have used) in a way or where such breach is considered by us reasonably to be important or significant, or where we have asked you to remedy a breach and you have failed to do so;
 - if you have been abusive or violent towards any of our staff members (or if we have been notified by HSBC or RBS that you have been abusive or violent to any of their staff members);
 - the relationship between you and us has irretrievably broken down;
 - we believe that you are no longer eligible for the Account;
 - you have provided us with false information or we believe that you have otherwise acted dishonestly in your dealings with us;
 - we reasonably believe that you or someone else is using the Account illegally or fraudulently; or
 - if we are obliged to do so by law or by any regulatory authority.
- 5.5 Should we need to close your Account or suspend or withdraw any service for any other reason, we will provide you with at least two months' advance notification.
- 5.6 If you have not carried out a transaction on your Account for at least 12 months, we will treat your Account as inactive. Your Account will continue to earn interest whilst it (and/or any related service) is treated as inactive. In order for your Account to become active again you must carry out a transaction during the period of 12-24 months since the previous transaction. After 24 months of inactivity your Account will become dormant (see Condition 5.7). We have no obligation to inform you of your Account becoming inactive.
- 5.7 If your Account becomes dormant (see Condition 5.6) and your organisation remains in operation, we will close your Account and, where we are able to make contact with you, we will:
- send you a cheque for, or electronically transfer, the closing balance including any accrued interest.
- 5.8 We can close your Account and transfer a proportion of the balance (where permissible) to a charity as set out in the Dormant Bank and Building Society Accounts Act 2008 and the remaining balance to the reclaim fund, where permissible, under the Dormant Bank and Building Society Accounts Act 2008 if:
- we have not been able to find you after making reasonable attempts; and
 - you have not taken any money out of your Account or paid any money in to it for the past 15 years.

5.9 Where you have let us know that your closure notice under Condition 5.2 is because you wish to transfer your Account to another bank or building society account in your name in the UK, we will assist you with such transfer as quickly and efficiently as possible or, where we have no transfer relationship in place with your proposed new bank or building society to enable us to do so, we will simply close your Account in accordance with Condition 5.2 to enable you to set up your new account as quickly as possible.

5.10 Whether closing your Account or transferring your Account, remember to maintain sufficient funds in the Account (and, where necessary, in your new account) to cover any charges, standing orders or Direct Debits that may be processed during the closure or transfer period.

5.11 Where your Account is so closed or transferred, we will return (or transfer) any money due to you along with any interest we owe you on your Account.

6 Our right to refuse or limit deposits and withdrawals and to impose conditions or restrictions

6.1 We reserve the right to:

- refuse a deposit;
- refuse a withdrawal request;
- limit the amount of any deposit or withdrawal;
- impose such conditions or restrictions (including, but not limited to, payments on Account closure or transfer),

as we feel is necessary in order to run our business lawfully, to make sure that our regulators approve of the way we run our business, or to protect you by minimising the risk of fraudulent or criminal activity taking place (for example, if we are in any doubt as to your identity).

6.2 We will only block a payment where we have reasonable grounds for doing so.

6.3 Where we do block a payment, we will contact you by telephone and/or in writing as soon as practicable unless such contact would breach our security measures or be unlawful.

6.4 We will unblock any payment that has been blocked as soon as practicable once the reasons for the block cease to apply.

7 Interest

7.1 Our interest rates are reviewed and updated, in accordance with Condition 20. Where we do update our interest rates, we will show the new applicable rate on your statement from the date of the change.

7.2 Where your Account is a variable rate Account and the base rate to which that variable rate is linked changes, we will show the new applicable rate from the date of change.

7.3 The interest rates are published daily on our Website, at www.cafonline.org/rates

7.4 Subject to Conditions 4.10 to 4.11, we will pay interest on applicable Accounts on money deposited into your Account from the Working Day on which we receive the funds.

7.5 We will pay interest on any amounts withdrawn or paid from your Account up to and including the Working Day of the withdrawal or payment transaction.

7.6 Account holders are entitled to interest calculated daily. We will apply the interest rate of the day to the balance of funds cleared for value on your Account, in accordance with our published rates applicable to the Account type.

7.7 Every three months we will add the accrued interest to your Account. The interest payment dates are 26 March, 26 June, 26 September and 26 December, or the nearest Working Day after these dates.

8 Charges

8.1 The charges ordinarily applicable in relation to the Account are set out on the *CAF Bank Tariff of charges* and reflect our additional administration costs. The *CAF Bank Tariff of charges* is also available on our Website and we will provide a copy to you on request. We reserve the right to revise our charges in accordance with Condition 20.

8.2 Notwithstanding whether or not fees and charges are normally applied to your Account, we reserve the right to apply management time charges with selected customers where we feel that their transactional activities are excessive.

8.3 Any charges that are incurred will be raised at the time the applicable transaction takes place and will be shown individually on your Account statement.

8.4 You authorise us to deduct our charges from your Account.

9 Changing Account details: giving us instructions, correspondence etc

9.1 If you need or wish to change any details relating to any of your Accounts with us, such as the Account name, the Account Contact or address, the signatories, the Primary User or any other details, the appropriate change of details form, available from us on request, must be completed and our administrative requirements met. Any other checks that we need to complete for legal or regulatory purposes must also be successfully completed before we can action any such change.

9.2 You must take care to ensure the correctness and completeness of every form and every instruction you give us, specify the Account(s) to which the form or instruction relates and clearly identify the Account holder by the exact name and number of the Account. We reserve the right to reject instructions that are

incomplete, wholly or partly illegible, or that in some other way give the Bank concern as to their correctness and completeness.

- 9.3 Should your contact address not be kept up to date or is invalid (ie if letters addressed to you are returned undelivered) we will block your Account until you are able to notify us of the correct information in accordance with Condition 9.1.
- 9.4 Those you have designated as Account signatories, or as the person who will be your contact or named authorised person for the purposes of our dealings with you in relation to the Account, must use their names when dealing with us and not, for example, their job titles; where the Account is held by an organisation, we will not act on instructions given only in the name of 'the President', 'the Treasurer', 'the Secretary' or in the name of any similar office-holding position.
- 9.5 The address you have provided as your main correspondence cannot be a PO Box.
- 9.6 If for any reason there is a change in the style of a signature of any Account signatory, you must notify us promptly by completing the necessary *CAF Bank Bank Mandate form* which is available from us on request.
- 9.7 Any form changing your Account details should be sent to **CAF Bank Ltd, 25 Kings Hill Avenue, Kings Hill, West Malling, Kent ME19 4JQ.**

10 Statements

- 10.1 You will receive a statement at the frequency selected by you on your application form for the Account.
- 10.2 The statement will show all movements on your Account, including interest credited and any charges incurred, since the date of the previous statement.
- 10.3 You may contact us (by email, telephone or in writing) to change the frequency of your statement to one of our other permitted statement periods.
- 10.4 Charges apply to the more frequent permitted statement periods; details of these are set out in the *CAF Bank Tariff of charges*.
- 10.5 You can request copy statements by contacting us (by email, telephone or in writing).
- 10.6 We may also impose a charge for providing a copy of a statement already provided to you. Details of our charges for providing copy statements are set out in the *CAF Bank Tariff of charges*.

so determines) in electronic form. You will be able to access copies of your online statements for up to 18 months from the date of issue.

- 10.9 You must check your Account statements regularly and carefully and you must notify us without delay if you do not recognise any transactions shown on a statement or otherwise appearing on your Account. Please see Conditions 4.31 and 4.32 for further information.
- 10.10 If you choose to receive statements Online, the Primary User will receive an email notification when new statements are ready to be viewed. It is the Primary User's responsibility to keep this email address up-to-date. You must maintain the list of additional users who you have authorised (are authorising) to receive your statement Online, including deleting users that are no longer required.

Technical requirements and performance

11.4 The technical requirements for our Online Service are set out on our Website from time to time at www.cafonline.org/caf-bank/help-support-hub/faqs-online-banking. We may change the minimum specification that you require in order to access the Online Service and may make operational changes to and alter the services currently available as part of the Online Service at any time. We will always notify you of such change by placing a message on our Website, or by text, email or by post. If a change in specification results in your equipment becoming incompatible with the requirements of our Online Service or you being unable to perform all of the functions of the Online Service previously performed, you are responsible for replacing or modifying your equipment so that you may properly access the Online Service.

11.5 You are responsible for obtaining and maintaining your equipment and for ensuring that it is compatible with use of the Online Service and that you hold all necessary authorisations, permissions or licences (for example, in respect of any software required to access statement information or download forms). We have no responsibility or liability with respect to your equipment.

11.6 You must pay all internet service providers and other charges you incur in accessing and using the Online Service.

11.7 We cannot guarantee:

- the speed with which you will be able to access and use the Online Service;
- that you will have uninterrupted or continuous access to the Online Service; or
- that you will be able to access all or any part or feature of the Online Service as a result of outages on any phone network provider, or if you are in a geographical location with no mobile network coverage.

Site and internet security

11.8 We shall use reasonable endeavours to keep the Online Service free from viruses and corrupt files but due to the nature of the Online Service (in particular, the fact that the Online Service uses the internet to communicate with you) we cannot guarantee that the Online Service is free from infection by viruses or anything else with contaminating or destructing properties. We shall not be liable for any loss or damage that you suffer if your equipment is infected by a virus or corrupt file unless such loss or damage is the direct result of our negligence or deliberate default.

11.9 You are responsible for ensuring that the equipment you use to access our Online Service:

- is kept fully operational, safe and secure;
- is up-to-date with the latest anti-virus, anti-spyware, firewall and security patches (and we recommend that, where practical, you 'virus-check' information that we send you through the Online Service);
- contains software that is kept virus free; and
- is backed up at regular and frequent intervals so that your important data is protected.

11.10 Please remember that, if you use our Online Service outside the UK, it will be at your own risk, and you should check whether you are allowed to access it from the country you are in at the time. Some countries do not allow encrypted data to be sent over a public phone network, for example, so you may want to check this before using our Online Service outside the UK.

11.11 We reserve the right to set geographical restrictions for access to the Online Service for security reasons without prior notification to you.

Changing Account details

11.12 The person who is your Account Contact for the purpose of our dealings with you in relation to the Account will also be your Primary User of the Online Service. Primary Users are responsible for advising us promptly of organisational changes affecting the rights of any Secondary User of the Online Service. Until such notification has been received we shall in no respects be held liable for any use or misuse of information obtained via the Online Service by an individual who has previously been properly authorised by you for that purpose.

Using and safeguarding Security Details

11.13 We will, without further enquiry, allow access to the Online Service and process every instruction that is authenticated by use of the security procedures we require you to follow. This means that you are responsible for the genuineness and accuracy of all instructions and information given to us by means of those security procedures, from login to logoff. It is therefore essential that you check all instructions and information carefully before they are sent.

11.14 For the same reason, and to ensure confidentiality in relation to your Account, it is also essential that you keep your Security Details secret and secure and take all reasonable precautions to prevent the fraudulent use of those details. In particular this means all users of the Online Service (ie the Primary User and all Secondary Users) must at all times:

- keep all Security Details secret and secure (for example, their User ID, password, unique word, and CAF Bank UniqueCode details) and do not disclose any of those details to another person. You must securely destroy anything containing Security Details as soon as you receive it. When you set or change your Security Details, you must ensure these cannot be easily guessed and you must not write down your Security Details in a way that they could be understood by anyone else;

- never use any equipment connected to a public internet wi-fi connection or access point (such as a coffee shop or internet café) to access the Online Service and ensure that a third party does not overlook any user when logging in to the service and that the Security Details are not saved in any computer software or browser facility (apart from your user ID, which can be stored on your equipment);
 - ensure that no one user is able to login using more than one set of Security Details for the same Account;
 - ensure that the equipment is not left unattended after login and must always exit the Online Service, close your browser session and wipe your browser history before you leave your equipment unattended or allow anyone else to use your equipment. For your security you will be automatically logged out of the Online Service after 10 minutes of inactivity, but you must not rely on this and this is not an alternative for complying with the security safeguard requirements set out here;
 - do not quote any Security Details to us when you contact us unless you are providing the information to us in response to questions we ask as part of our security procedures, and make sure that you cannot be overheard during any such call. Neither us nor the police will ever contact you to ask you to reveal your full Security Details;
 - never disclose your Security Details by email. We will never ask you to reveal your Security Details via email. If you receive a suspicious email, please do not open it or click on any links contained within it, instead report this immediately by forwarding the email to scamreporting@cafonline.org;
 - only access our Online Service by typing our Website address into your browser, never enter your Security Details or otherwise use our Online Service if you have accessed our Online Service via a link in an email;
 - without delay notify us if any of the Security Details have been disclosed to a third party or if you believe that any of the Security Details may no longer be secret or secure, or if you have lost any equipment, including any confidential, sensitive or personal information contained in or on it (or if you become aware that a third party may have access to any such equipment or information);
 - without delay advise us of any required change of Primary User;
 - never delete your Primary User from the Online Service (if you wish to change your Primary User please contact us in writing using our *CAF Bank Change of account contact details* form to make the necessary arrangements);
 - ensure that you know the person you are sending money to and that you are happy with the reason you are sending the money. You can find advice and guidance on how to avoid becoming a victim of common scams on our Website;
 - maintain a valid UK mobile telephone number for Text Alerts and CAF Bank UniqueCode;
 - do not receive or generate a unique code on the same device on which you are accessing our Online Service;
 - check that all payees' details are genuine and the beneficiary details are correct (this may include but is not limited to, for example, calling the payee if a payment has been requested via email to confirm the payment details) and all payments are checked for their authenticity before they are sent; and
 - when receiving Text Alerts to notify you of material changes to your Account or details, you will investigate to confirm the authenticity of these changes.
- 11.15 You must contact us without delay on the telephone number provided in Condition 11.25 if you become aware of any error or suspected error in the Online Service or in any suspicious or suspected fraudulent transaction. You must also contact us without delay on that telephone number if you discover that someone else knows your Security Details or you believe that your Security Details have been misused.
- 11.16 We may give information about any misuse or abuse (or suspected misuse or abuse) of your Security Details or the Online Service to the police or to a regulatory authority without asking you.
- 11.17 We may ask you to change your Security Details at any time and for any reason; and you must change your Security Details immediately (or in accordance with any other instructions we may give) if we ask you to do so and change or use your Security Details in the way that we may request.
- 11.18 We can suspend or withdraw your Security Details with immediate effect if:
- we believe that this is necessary for security reasons;
 - this is to prevent suspected unauthorised or fraudulent use of your Account (for example, where there have been multiple unsuccessful attempts to access your Account using the Online Service);
 - there is a significantly increased risk that you will not be able to repay any money you owe to us on your Account;
 - you haven't used them to access your Account using the Online Service for a period of time set by us; or
 - it is for a reason provided for elsewhere in these Conditions or in your Account Terms or the terms and conditions of any other service that you are accessing via the Online Service.
- You can re-set any suspended or withdrawn Security Details by contacting us in writing or using our Telephone Banking Service. We will then reactivate or replace your Security Details as soon as possible, provided that the reason for their withdrawal or suspension no longer exists.
- 11.19 If we make any changes to our security procedures, or if we change, suspend or withdraw your Security Details, we will tell you beforehand unless we are unable to do so, in which case we will tell you as soon as we can. We do not have to tell you beforehand and may be unable to provide full details or explanation afterwards if, for example, doing so would compromise our security or be unlawful.

11.20 We may from time to time, in response to changes in good practice for online security or ecommerce, provide you with additional instructions; please act on these.

11.21 It is a condition of your use of the Online Service that you follow the safeguards set out in these Conditions.

Responsibility and liability for transactions using the Online Service

11.22 Condition 4, your Account Terms and any other terms and conditions applicable to your Account or to the services that you are using via the Online Service also apply. We have the right not to refund any unauthorised transaction on your Account in the circumstances set out in these Conditions, your Account Terms and any other terms and conditions applicable to your Account or to the services that you are using via the Online Service.

11.23 We will provide you with instructions and guidance for using the Online Service on our Website and may also tell you about this by post or email. When using the Online Service you must follow any instruction and adhere to any guidance we issue in respect of the Online Service. We may vary these instructions or guidance at any time so you must always check our Website to ensure that you are complying with our most up-to-date instructions or guidance before using the Online Service. Our Website contains FAQs for further information and guidance; but if you remain in any doubt, please contact us in advance on **03000 123 456** between 9am and 5pm on a Working Day.

11.24 If you dispute that you have carried out a transaction using any part of the Online Service we will investigate this and you will be expected to co-operate with us and the police or any other investigatory authority in any such investigations.

11.25 If you suspect someone knows your Security Details or you become aware of any unauthorised access or unauthorised transactions you must phone us without delay on **03000 123 456**. Our lines are open between 9am and 5pm on each Working Day. If your event occurs outside these hours, you should still call the telephone number above and leave a message.

11.26 From the time that your call or message is received, you will not be liable for any losses incurred by or on the Account unless:

- you have abused, misused or fraudulently used the Online Service;
- you have disclosed your Security Details to another person; or
- you have failed to follow any of the safeguards set out in these Conditions, your Account Terms or any other applicable terms and conditions, or any guidance that we have provided in relation to your Account or our services,

in which case you will be liable for all transactions or payments requested from your Account using the Online Service and/or any charges or interest incurred on the Account as a result.

11.27 If you are considering providing a third party provider (for example, an accounting service) with Security Details we will not be liable for financial losses as a result of fraudulent or unauthorised use of your Account.

11.28 Our Online Service enables you to create group payment instructions. You are responsible for the accuracy of this payment information in the same way as you would be for making individual payment requests (please refer to Condition 4 for more information). Please also ensure that:

- sufficient cleared funds are in the Account to meet the entire group payment instruction on the day it is due to be paid, otherwise we will be entitled to refuse the instruction or to apply penalties. In the event of insufficient funds being so available, we shall be under no obligation to process part of any group payment but if we chose to do so, we shall not be responsible for any payment that is not included in any such part-processing or for the selection of which parts of the group payment are processed and which are not;
- if the payment is rejected (in whole or in part) for any reason, you have resubmitted the group payment instruction (or the affected part) after rectifying the reason for rejection; and
- any changes that you have made to the list of your payees are separately replicated by you in any templates that you hold for such group payments or in any pending group payments.

11.29 If your Security Details have been compromised, you will not be held liable for any losses incurred, unless you have, acting fraudulently or deliberately or with gross negligence, failed to comply with these Conditions (for example, by not complying with the provisions set out in 11.14), in which case you will be held liable for all resulting transactions or payments requested from your Account as a result of an instruction given via the Online Service and/or any related charges or interest incurred on the Account.

Termination or suspension of the Online Service

11.30 You may end your use of the Online Service at any time by contacting us in writing or using our Telephone Banking Service to let us know. Before notifying us in this regard, please check whether or not your Account Terms require the Online Service in order to operate your Account, or apply fee or charge reductions only where the Online Service is used. If you intend to close your Account, please follow Condition 5, as notification of your end of use of the Online Service will not otherwise be sufficient to close your Account, and to ensure that we have sufficient information to undertake your Account closure request as quickly as possible. Your use of the Online Service will terminate automatically if you close all of your Accounts.

11.31 In addition to Condition 5.4, we may, where we consider it appropriate for your or our protection, suspend, withdraw or restrict the use of all or any part of the Online Service. We will tell you as soon as practicable if we take such action. We may also end all or any part of the Online Service at any time by giving you at least two

months' notice.

11.32 If the Online Service ends in respect of one or more of your Accounts, or your Security Details are deactivated:

- you must immediately return to us or securely destroy any Security Details or other documentation you have relating to the Online Service if we ask you to;
- any of these Conditions, your Account Terms (or the terms and conditions of any of our other services that you use) that continue to apply, and any rights and liabilities between us that have accrued at that time, will continue to apply between us; and
- we may still carry out instructions received but not processed by us at that time.

11.33 Whilst we will make reasonable efforts to provide the Online Service, we will not be liable for any failure to provide all or any part of the Online Service as a result of any cause that is beyond our reasonable control including, in particular, any suspension of the Online Service resulting from maintenance of or upgrades to our systems or those of any other party used to provide the Online Service, failure of any such other party's systems or industrial dispute. Where maintenance or repair work is planned, we will put a notice on our Website in advance of the date on which such maintenance is due to commence unless the maintenance work is urgent (or necessary but not planned in advance due to circumstances beyond our reasonable control).

12 Telephone Banking Service

12.1 To assist in safeguarding your Account you are mandated to set up a telephone password for the Telephone Banking Service.

12.2 *Telephone password instruction* forms are available from our Website, or on request from our Customer Service team on **03000 123 456** or by email to cafbank@cafonline.org between 9am and 5pm on a Working Day.

12.3 By setting up a telephone password on your Account you agree to:

- keep the nominated password safe at all times and not disclose it to any third party whatsoever and take all reasonable steps to ensure that it does not fall into the hands of a third party;
- advise us immediately if the security of the password is compromised; and
- authorise us to rely upon and act in accordance with any instructions which may from time to time be, or profess to be, given and which utilise the nominated password in relation to all Accounts held in your name.

Responsibility and liability

12.4 In consideration for us agreeing to act on the basis of telephone instructions, you unconditionally and irrevocably agree to indemnify us against all losses, claims, actions, proceedings, demands, damages, costs and expenses incurred or sustained by us of whatever

nature and howsoever arising out of, or in connection with any instructions given by telephone, provided only that we have acted in good faith.

12.5 The terms of any authorisation will remain in force until we receive, and have had reasonable time to act upon, written notice of termination by the authorised signatories. You agree that termination of any authorisation shall not release you from any liability in respect of anything done by us in accordance with this Condition 12 prior to the date on which we receive your written notice of termination and have had reasonable time to act upon it.

12.6 If you suspect that someone who is unauthorised is aware of your telephone password or other Security Details you must phone us without delay on **03000 123 456**. Our lines are open between 9am and 5pm on Working Days. If your event occurs outside these hours, you should still call the telephone number above and leave a message. From the time that your message is received, you will not be liable for any losses incurred unless you have acted fraudulently, in which case you will be held liable for all resulting transactions.

12.7 If your telephone password or other Security Details have been compromised, you will not be held liable for any losses incurred, unless you have, acting fraudulently or deliberately or with gross negligence, failed to comply with these Conditions (for example, by not complying with the provisions set out in 12.3), in which case you will be held liable for all resulting transactions or payments requested from your Account as a result of an instruction given via the Online Service and/or any related charges or interest incurred on the Account.

13 CAF Bank Mastercard® business card

Card issue

13.1 The Card is not a Credit Card or Debit Card. The Card is a business card and is linked to your account and, therefore, purchases and cash withdrawals (Card Transactions) will only be allowed if you have the available balance in your account.

13.2 We may issue a CAF Bank Mastercard® business card (the 'Card') to a person nominated by you to receive and operate a Card (the 'Cardholder(s)'). These Conditions apply in respect of each Card issued to a Cardholder.

13.3 You may from time to time apply for a Card to be issued to a new Cardholder on a form provided by us for this purpose. You may also terminate the authority of a Cardholder to use a Card. If you terminate the authority of a Cardholder to use a Card, you must arrange for the Card to be destroyed and contact CAF Bank using our Telephone Banking Service or in writing.

13.4 We may decline to issue a Card if in our reasonable discretion we deem it necessary to do so. Reasons might include but not limiting the generality of the foregoing:

- we have previously needed to refuse a payment due to lack of funds on your Account;
 - your Account is a dormant account. (See Conditions 5.6 and 5.7);
 - the Cardholder is unable to complete the identification and verification procedures which we require to be completed;
 - the Cardholder is not living in the UK; or
 - there has previously been repeated fraud on your Card.
- 13.5 The Card belongs to CAF Bank at all times and must be destroyed immediately if we advise you that the Card has been withdrawn.
- 13.6 We may withdraw the availability of the Card at any time.
- 13.7 We will always send the Card to the Cardholder at their residential address. We will not send the Card to a non-residential address, PO Box or c/o address.

Cardholders and your obligations

- 13.8 When we send your Cardholder a Card please make sure that the Cardholder reads the information that we provide along with the Card which will include the security measures for Cardholders. The information will inform the Cardholder how to use the Card and what to do if the Card becomes lost or stolen.
- 13.9 We will ask the Cardholder to activate any new or replacement Card before the Cardholder can use it. A Card only becomes operative when the Cardholder has correctly completed the activation process.
- 13.10 We will issue each Cardholder with a Personal Identification Number ('PIN'). We will not reveal the Cardholder's PIN to anyone but the Cardholder. The Cardholder can use the PIN with the Card for withdrawing money and using other services available from ATMs.
- 13.11 The Cardholder will usually be asked to enter the PIN into a secure PIN pad at the premises of a retailer or other supplier. Alternatively, the Cardholder may be asked to sign a sales voucher showing the details of the transaction.
- 13.12 The Cardholder may use the Card to make payment for goods and services through a variety of channels, eg, internet, telephone, mail order. A cashback service may also sometimes be available. The Cardholder must not disclose the PIN when using any of these channels. We strongly recommend the use of 'secure payment' sites and software when the Cardholder is sending their Card details over the internet. When using the Card to make a payment over the telephone or by mail order, the Cardholder may be asked for additional identification.
- 13.13 We may decline to authorise a Card Transaction on reasonable grounds. Reasons might include: suspected unauthorised or improper use, fraud, technical difficulties, legal requirements, if the use of the Card would be prohibited or because certain types of

Card Transactions are not available (including but not limited to, if the Card Transaction would exceed a Card Transaction limit of some sort). This may occur even if your Account is in credit. If we do, you will normally be told at the point of sale, but you may not be. In all cases, you can find out about Card Transactions we have refused or any other restrictions imposed on your Card by calling us on **03000 123 456**.

- 13.14 When a Cardholder places an order over the internet with organisations that participate in 'secure payment' sites, the Cardholder will be invited to register for the service in relation to the Card. If the Cardholder does not do so, as part of our fraud prevention measures, we may not authorise the payment for the order and further internet transactions with participating organisations.
- 13.15 When a Cardholder places an order over the internet with organisations that participate in 'EMV® 3-D Secure' (including, but not limited to, Mastercard® Identity Check™), the Cardholder may receive an One Time Passcode to authorise the payment. The Cardholder must enter the One Time Passcode to authorise the payment. If the Cardholder fails to enter the correct One Time Passcode, as part of our fraud prevention measures, we will not authorise the payment for the order.
- 13.16 You are responsible for ensuring that any Cardholder complies with the *Business card cardholder security measures*. You will be responsible for all transactions carried out using the Card which are properly authorised, including any charged to your Account after any Cards have been stopped.
- 13.17 We will not be responsible if a retailer or other supplier refuses to accept a Card in payment for a transaction, or if the Cardholder cannot use the Card to make a payment.
- 13.18 You are responsible for notifying us of any change to a Cardholder's address and mobile telephone number as soon as possible. This information is necessary to authenticate online payments.
- 13.19 You must take all reasonable precautions to prevent fraudulent use of the Card and PIN. These include but are not limited to ensuring that the Cardholder:
- never writes down the PIN or any Card details in a way that could be understood by anyone else;
 - signs the Card with a ballpoint pen as soon as the Cardholder receives it;
 - keeps the Card safe;
 - does not share the Card or any Card details with another person, including family members or members of the same organisation, for any reason;
 - does not disclose the Card numbers or the Card security code on the back of the Card except when using the Card to make payments;
 - does not reveal the PIN to another person including the police or bank staff (we will never ask the Cardholder to reveal the PIN to us);
 - does not tamper with the Card;
 - does not choose Security Details which are easy

to guess;

- takes care to ensure that no-one sees the PIN when the Cardholder uses it;
- does not disclose the PIN for mail order payments or when paying for goods and services over the telephone or through the internet;
- keeps Card receipts safe and disposes of them safely;
- complies with all reasonable instructions we issue regarding keeping the Card, Card details and PIN safe;
- informs us without delay by telephoning us on our lost and stolen number, **03000 123 606**, if the Card is retained by an ATM. Then contact the account contact who will be able to order a replacement card.
- informs us without delay by telephoning us on our Customer Services team number, **03000 123 456**, if you have received a One Time Passcode but have not placed an order over the internet.
- informs us without delay by telephoning us on our lost and stolen number if the Card or PIN are lost or stolen, or the Cardholder suspects that someone has used them or tried to use them. If we ask the Cardholder to, they must confirm this in writing; and
- makes sure that the Card and Card details are not used for any illegal purposes.

PINs

13.20 The Cardholder will receive the PIN after the

Cardholder has activated the Card, except in specific circumstances where the Cardholder needs the PIN sent to them in the post.

13.21 The Cardholder can change the PIN at a UK ATM, but not within the 30 day period before the Expiry Date, as defined in Condition 13.25, or at any time between the order and receipt of a replacement Card.

13.22 If a Cardholder has forgotten the PIN, you can ask us to arrange for the Cardholder to receive a new access code to enable them to telephone for a new PIN.

13.23 You must ensure that the Cardholder complies with the following:

- on receipt of a PIN, the Cardholder must securely destroy the slip on which it is printed;
- the Cardholder must keep the PIN secret and not let anyone else know it or use it;
- the Cardholder must never write down the PIN in a way that could be understood by anyone else, including anyone within your organisation; and
- the Cardholder must maintain a valid mobile telephone number with us.

Validity of the Card

13.24 The Card is valid from the 'valid from' date until the 'valid to' date (the 'Expiry Date'), which are both shown on the Card.

13.25 We may make the decision not to renew a Card due for expiry. We may take this action if the Card has not been used to make a Card transaction for a period of time set by us.

13.26 If we determine that a Card is to be renewed (see Condition 13.25), then a Card renewal letter will be sent to you prior to the expiry date of the existing Card. If you have not received this letter before a current Card expires and you wish to renew the Card you should contact us.

13.27 In accordance with Conditions 13.25 and 13.26, prior to the expiry date, we will send the Cardholder a replacement Card which the Cardholder should sign immediately. The old Card should be destroyed immediately by cutting it into at least six pieces.

13.28 A Cardholder must not use the Card after the Expiry Date or after we have asked for the Card to be destroyed or told you or the Cardholder that the Card's use is withdrawn.

Contactless Payment

13.29 We may from time to time renew your Card with one that displays the contactless symbol. Such Card will have the following features:

- The Card will function on a contactless basis in addition to a 'Chip and PIN' facility;
- the entry of a PIN code will only be required for payments above a nominal amount. This individual payment limit will vary from time to time, but please contact us if you need to know what the limit is at any time; and
- in addition, an aggregate payment limit will also be applied to Card payments before entry of a PIN code is required. This aggregate payment limit will vary from time to time, but please contact us if you need to know what the limit is at any time.

13.30 You can use your contactless Card:

- everywhere that you see the contactless symbol (please note, however, that if you are travelling to the US or Canada, our contactless technology is not compatible with their equivalent system); and
- on London buses and TFL trains.

13.31 Contactless cards use the same encryption technology as 'Chip and PIN'.

Card transactions

13.32 The Card may be used for purchases or cash withdrawals ('Card Transactions') 24 hours a day, 365 days a year, where you see the Mastercard® acceptance mark in the UK or abroad.

13.33 Cardholders may use their Cards to withdraw cash or make purchases up to the daily limit set by CAF Bank and subject to any security measures that CAF Bank may put in place from time to time, provided cleared funds are available in the Account.

13.34 You authorise us to deduct the amount of any Card Transaction carried out by use of the Card (with or without the use of the PIN) or by use of the Card details from your Account. However, your liability for transactions which have not been made or authorised by the Cardholder will be limited in the way set out under Condition 13.68.

13.35 Where a Card has been cancelled (for whatever reason) we may continue to deduct from your Account the amount of any outstanding Card Transactions made using the Card (including those carried out via ATMs).

13.36 On each Working Day any available funds on your Account will be used to pay any authorised Card Transactions notified to us by Mastercard® since the previous Working Day, before they will be used to pay any other debit from your Account.

13.37 If a Cardholder uses their Card to set up a regular payment to be made from your Account, it can only be cancelled if your instructions to cancel are received by us before 3pm on the Working Day before the date of the next recurring Card Transaction. Instructions to cancel future dated payments can be given to us in writing or using our Telephone Banking Service. You should be aware that you will still be responsible for paying any money that you owe the payee and cancelling the recurring Card Transaction may impair or cancel your rights under any contract you have with the payee. We recommend that you notify the relevant payee of the cancellation of the recurring Card Transaction.

13.38 If we are changing or introducing charges or security measures and the change is to your disadvantage we will give you two months' advance notice in a durable medium. In all other respects we may make any other change immediately and tell you about it within one month.

13.39 If we incorrectly apply, or omit to apply, a Card Transaction to your Account, we will correct our act or omission and refund to you any interest and charges directly incurred by you on your Account that would not have been incurred had we applied the Card Transaction correctly.

13.40 You cannot stop a Card payment, but a retailer or payee may make a refund. We will credit your Account when we receive their instructions, but we are not responsible for any delay in the retailer or payee giving us instructions to make a refund.

13.41 Some merchants may process payments on the Card as if it were a credit card transaction. In this instance any fees or charges will be payable by you. The merchant is obliged to tell you if such charges are payable at the time of the transaction.

Authorisation

13.42 We may refuse to carry out a Card Transaction if we reasonably think that:

- this is necessary on the grounds of fraud prevention or in order to meet any other legal or security measure; or
- we are required to do so by law; or
- the type of Card Transaction in question is not available, including but not limited to suspected unauthorised or improper use or Card Transactions which exceed a Card Transaction limit; or
- action is taken by a third party which prevents us from executing the Card Transaction; or

- there are technical issues which prevent us from executing the Card Transaction; or
- the Card or the Security Details relating to the Card have been lost, stolen or are being used by someone else or we believe that the Card or the Account are being used illegally or fraudulently; or
- the Card Transaction is not properly authorised; or
- circumstances beyond our reasonable control prevent us from offering a normal service (such as an act of terrorism, computer failure or industrial action).

13.43 We may refuse to make or authorise a payment if you do not have sufficient cleared funds in your Account or if this would cause your Account to go overdrawn.

13.44 If our reason for declining the Card Transaction was based on incorrect information, we will agree with you what needs to be done to correct that information.

13.45 Where we do not carry out a Card Transaction because circumstances beyond our reasonable control prevent us from offering a normal service, we will respond proportionately to the circumstances in question and take all reasonable steps to ensure that the restrictions are lifted as soon as practicable to minimise the inconvenience to you and the Cardholder. We will, where reasonably practicable, give you advance notice.

13.46 Upon authorisation by a Cardholder, a Card Transaction will immediately reduce the total amount that can be drawn from your Account, even if the payment has not actually been deducted from the Account by then.

13.47 You must pay all amounts charged to your Account for Card Transactions if it is clear that the Card Transaction has been authorised by a Cardholder.

Timescales

13.48 Your Card Transactions will not be debited to your Account until a minimum of 48 hours after the authorisation of the Card Transaction. However, once an authorisation is given, that Card Transaction will immediately reduce the total amount that can be drawn from your Account, even if the payment has not actually been deducted from the Account by then.

13.49 Cash withdrawals in the UK will normally be deducted from your Account on the next Working Day.

Currency conversion

13.50 Where a Card Transaction is made in a foreign currency, we will convert it into pounds sterling on the day we debit the payment from your Account using the exchange rate applied by Mastercard®. We add any Mastercard® processing fees to the exchange rate applied by Mastercard®, and this charge will be included in the exchange rate for the Card Transaction shown on the statement for your Account. The day the currency conversion is carried out, and the payment amount debited from your Account, may be after the day the Card Transaction was carried out.

13.51 The CAF Bank exchange rate changes on a daily basis, and any changes will be applied immediately and without giving you any prior notice.

13.52 If you undertook a Card Transaction with a retailer in a foreign currency but the retailer converted the amount into pounds sterling, we will debit your Account for that sterling amount.

Charges

13.53 We reserve the right to charge for Card use at a future date and would provide you with two months' advance written notice in a durable medium of any such changes.

13.54 If financial institutions charge for use of their ATMs, such charges will be payable by you. It is a requirement for the cost of the charge to be displayed to the Cardholder at the time of the withdrawal.

13.55 We will notify you about changes to the *CAF Bank Tariff of charges* personally (which includes telling you by post, statement message, email or secure e-message). If the change is to your disadvantage we will notify you about it personally at least two months in advance.

Withdrawal and suspension of the Card

13.56 We reserve the right to withdraw or suspend the Card if:

- we have received notification that the Cardholder has ceased to be the Account Contact or an Account signatory unless instructed otherwise; or
- you breach any of these *General Terms and Conditions* or the Account Terms, including failing to comply with the Conditions set out in 13.19; or
- we reasonably suspect the Card is being used for inappropriate transactions that may cause reputational issues; or
- we reasonably suspect fraudulent or other misuse of the Card; or
- we reasonably suspect that any security requirements relating to the use of the Card, Card details or PIN have been compromised.

13.57 Once a Card has been cancelled you should ensure that the Cardholder stops using the Card and that it is immediately destroyed by cutting it into at least six pieces.

13.58 If we do withdraw the use of a Card, we will, if practicable, tell you beforehand or, where we cannot do this, after withdrawing use of the Card, will inform you of our reasons for doing so unless the law prevents us from doing so or we reasonably believe it would undermine our security measures.

13.59 We will deduct from your Account the amount of any Card Transaction (and any related charges) where the Card Transaction has been authorised by the Cardholder even if the amount of that Card Transaction is not paid by us until after the cancellation or suspension of the Card.

Lost, stolen or misused Cards

13.60 You authorise us to give any appropriate third party any relevant information in connection with the loss,

theft or possible misuse of cards or PINs in order for us to meet our obligations as a member of the Mastercard® scheme.

13.61 We may contact you by post or telephone to advise that there may be suspicious activity on your Account, or leave a message to ask that you call us without delay. If we leave a message for you, you must contact us without delay in order to help prevent fraud on your Account. If you do not contact us we will assume that all Card Transactions on the Account have been properly made and authorised by the relevant Cardholder.

13.62 If the Card or PIN are lost or stolen, or the Cardholder suspects that someone has used them or tried to use them, please tell us without delay by telephoning us on our lost and stolen number **03000 123 606**. If we ask you to, you must confirm this in writing.

13.63 We will ask you to co-operate with us and the police in relation to any investigation into the actual or suspected misuse of the Card. You should confirm whether or not a transaction is unauthorised within seven days of our request. We may also disclose information about you and your Account to the police or other third parties if we think it will help prevent or recover losses. You must also ensure that any Cardholder co-operates with us in relation to any actual or suspected misuse of the Card.

13.64 If the Cardholder finds the Card after you have made a report as set out in Condition 13.63, the Cardholder must not use it again. You must ensure that the Cardholder cuts the Card into at least six pieces and destroys it promptly.

Our liability

13.65 Unless you are otherwise liable under these Conditions, we will be responsible for any money lost due to unauthorised Card Transactions as long as you have advised us of the unauthorised Card Transaction within 13 months of our debiting this from your Account.

13.66 We will add back to your Account any amount deducted including any related interest (if applicable) and charges in respect of an issue for which we are described in Condition 13.65 as being responsible.

13.67 We will have no further liability to you.

Your liability

13.68 If your Card or Security Details have been compromised, you will not be held liable for any losses incurred, unless you have, acting fraudulently or deliberately or with gross negligence, failed to comply with these Conditions (for example, by not complying with the provisions set out in Condition 13.19) in which case you will be held liable for all resulting Card Transactions or payments requested from your Account as a result and/or any related charges or interest incurred on the Account.

13.69 You will not be responsible for any losses if someone else uses the Cardholder's Card before the Cardholder receives it. Your liability may also be limited by the law.

14 Using and sharing your information

14.1 We are entitled to use and share information about you:

- with the CAF Group of which CAF Bank is part. The CAF Group will not share your information with any other organisation except as part of providing a product or service or when legally obliged to do so;
- as authorised by you in your Account application documentation at the time that you opened your Account;
- in accordance with these Conditions, the Account Terms and any other terms and conditions applicable to any of our services that you use;
- as is reasonably necessary in order for us to operate your Account or otherwise provide our services to you, to provide you with information about your Account and the services we are providing to you and to register your use of your Account and our services;
- where the law or regulation says we must or the police, a Court (or Court order) a government entity, tax authority or a regulatory authority requires or necessitates it;
- where we have a public duty to do so; and/or
- where it is necessary to protect our interests.

How we use and share your information with other CAF Group companies

14.2 We may use and share your information with other CAF Group companies. This information is used by us and them to:

- assess and process applications, provide you with products and services and manage our (or their) relationship with you;
- understand our customers' preferences, expectations and financial history in order to improve the products and services we offer them;
- carry out financial (including credit) risk assessments and for risk reporting and risk management;
- develop, test, monitor and review the performance of products, services, internal systems and security arrangements offered by CAF Group companies;
- assess the quality of our service to customers and to provide staff training;
- improve the relevance of offers of products and services by CAF Group to our customers;
- recover debt;
- confirm your identity; and
- prevent and detect crime, including fraud and money laundering.

Sharing your information

14.3 Before we provide services, goods or financing to you, we undertake checks for the purpose of preventing fraud and money laundering, and to verify your identity. These checks require us to process personal data about you:

- the personal data you have provided, we have collected from you, or we have received from third parties will be used to prevent fraud and money laundering, and to verify your identity;
- details of the personal information that will be

processed include, for example; name, address, date of birth, address, contact details, financial information, employment details and device identifiers;

- we and fraud prevention agencies may also enable law enforcement agencies to access and use your personal data to detect, investigate and prevent crime;
- we process your personal data on the basis that we have a legitimate interest in preventing fraud and money laundering, and to verify your identity, in order to protect our business and to comply with laws that apply to us. Such processing is also a contractual requirement of the services or financing you have requested;
- fraud prevention agencies can hold your personal data for different periods of time, and if you are considered to pose a fraud or money laundering risk, your data can be held for up to six years.

14.4 As part of the processing of your personal data, decisions may be made by automated means. This means we may automatically decide that you pose a fraud or money laundering risk or if our processing reveals your behaviour to be consistent with that of known fraudsters or money launderers; or is inconsistent with your previous submissions; or you appear to have deliberately hidden your true identity. You have rights in relation to automated decision making, please contact the Customer Service team on 03000 123 456, Monday to Friday 9am - 5pm (excluding English bank holidays).

14.5 If we, or a fraud prevention agency, determine that you pose a fraud or money laundering risk, we may refuse to provide the services and financing you have requested, or to employ you, or we may stop providing existing services to you.

14.6 A record of any fraud or money laundering risk will be retained by the fraud prevention agencies, and may result in others refusing to provide services, financing or employment to you. Fraud prevention agencies may allow the transfer of your personal data outside the UK, or outside the EU, if you are based in the EU. This may be to a country where the UK Government has decided that your data will be protected to UK/EU standards. If the transfer of your personal data is to a country that has not received 'adequacy' status i.e., a country that does not offer an equivalent level of data protection as the UK/EU, then the fraud prevention agencies will ensure your data continues to be protected by ensuring appropriate safeguards are in place. If you have any questions about this, please contact us.

14.7 We and other organisations may access and use the information recorded by fraud prevention agencies.

14.8 Please contact us if you want to receive details of the relevant fraud prevention agencies.

14.9 Unless stated otherwise in the applicable terms, where we share your information in this way as part of our normal administrative requirements for assessing any application from you for an Account or service, this should not affect your credit rating, score or standing.

- 14.10 Where you apply for any product with us, including where you apply jointly with someone else, we may perform a credit search in order to check the details of your credit history with certain credit reference agencies. These searches are in addition to any searches or information sharing referred to in Condition 14.3 and these agencies will keep a record of that search (including details of your application for a product or service with us, and whether or not that application is successful) and, for a short period of time, this can therefore affect your ability to get credit elsewhere. If the results indicate that the product that you are seeking would not be suitable, your application may be declined. If your application is accepted we will file information with these agencies about how you manage your product on an ongoing basis. Where you apply in conjunction with someone else, a financial link between you will be created on the records of these agencies.
- 14.11 We may take whatever action we consider appropriate to meet any obligation relating to the prevention of fraud, money laundering and terrorist activity and the provision of financial services to persons who may be subject to sanctions. This can include investigating and intercepting payments into and out of your Account and investigating the source of or the intended recipient of funds.
- 14.12 We, and the other UK members of the CAF Group of organisations, may use information that we hold about you for assessment and analysis (including behaviour scoring, market and product analysis, and market or customer satisfaction research), to develop and improve our services and to maintain and test any systems that we use in order to provide the Account and our services to you. Where this information is used for statistical reports, the information will be aggregated and will not identify you. Where your information is used for the purpose of system testing, we will take all reasonable steps to ensure that any such testing is carried out in a secure and controlled environment.
- 14.13 When you instruct us to process a transaction, personal information relating to individuals named in the transaction will be provided to such third parties as are required in order to process the transaction in question. Applicable laws and regulations may require that this personal information also be provided to authorities, government bodies and/or regulators, including those outside of the EEA (for example, where you are making a transaction by way of SWIFT or CHAPS) and while we will take appropriate measures to protect personal information in our possession or control against unauthorised or unlawful access or accidental loss, destruction or damage (in accordance with applicable law) we have no ability to guarantee the security of information disclosed to third parties or transmitted over the internet or other communications networks. Transactions cannot be processed unless we make these disclosures, but we will limit the personal information so provided to only that information that is necessary or required in respect of undertaking the transaction you have requested.

- 14.16 Your personal data is protected by legal rights, which include your rights to object to our processing of your personal data, request that your personal data is erased or corrected and request access to your personal data.

- become aware of the loss, damage or destruction of any relevant personal data, and shall take whatever action is necessary to minimise the impact of such event and prevent such events recurring.
- 14.26 You will provide any necessary assistance required to investigate the causes of such incident, liaise with the Information Commissioner's Office or correct any breaches.
- 14.27 We will use appropriate processes to keep the personal data safe.
- 14.28 Upon satisfactory closure of your Account, we will ensure that the personal data we do not need to keep for HMRC and/or regulatory purposes, is securely removed from our systems and any printed copies securely destroyed immediately.

Money in Account for:	Set-off against money owed by:
You only	You only
You only	You and X
You and X	You and X

- 17.3 Unless this is not permitted by our regulator or other similar body, we can use our set-off right, where you have Accounts which you hold with another person (X) and either you or the other person owe us money individually as shown below:

You and X	X
You and X	You

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under www.fscs.org.uk

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor, Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within seven working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within seven working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within five working days of a request. Again, there are specific exceptions to this obligation.

Telephone calls may be monitored or recorded for security/training purposes. Lines are open Monday to Friday 9am - 5pm (excluding English bank holidays).

CAF Bank Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Financial Services Register number: 204451). CAF Bank Limited Registered office is 25 Kings Hill Avenue, Kings Hill, West Malling, Kent ME19 4JQ. Registered in England and Wales under number 1837656.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained at www.fscs.org.uk.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.

Exclusions list

A deposit is excluded from protection if:

1. The holder and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank, building society or credit union.
2. The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering.
3. It is a deposit made by a depositor which is one of the following:
 - credit institution
 - financial institution
 - investment firm
 - insurance undertaking
 - reinsurance undertaking
 - collective investment undertaking
 - pension or retirement fund*
 - public authority, other than a small local authority.
