Energise Barnsley

Bringing energy-saving tech to low-income households

Venturesome invested £150,000 into the Barnsley Solar Bond in 2016 and re-invested in 2021 to support refinancing of Energise Barnsley's previous bond to enable the organisation to build on its existing work.

"We are delighted to have the continued support of CAF Venturesome, investing alongside our community bond holders, into our community solar bonds."

David Malsom, Director, Energise Barnsley
