- **AER** stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. The AER advertised is based on interest paid gross and capitalised to the account once a year – please note other interest payment periods are available and the actual interest rate on your account will be lower if you have interest applied more frequently, but when compounded will equal the AER.

CAF 90 Day Notice Account

Account features

The CAF 90 Day Notice Account is a deposit account provided by Scottish Widows Bank. Available only to charitable organisations it's a simple way to earn more interest on the funds you have, rather than having a high cash balance in your current account. You can open an account with £10,000 and it can be operated by post or telephone.

Interest rate

The interest rate is variable. For the latest rate see the enclosed interest rate sheet or visit our website www.cafonline.org/rates

Interest payment

Interest can be paid monthly, quarterly or annually. Interest will be paid gross and you will be responsible for paying any tax due to HMRC. A minimum balance of £50,000 is required for monthly interest. Interest can be added to the account or sent to a nominated account. A minimum balance of £2,500 is required for interest payments to be transferred this way.

Amount of initial deposit

Minimum £10,000
Maximum balance £5,000,000

Further deposits

Further deposits can be made at any time. The simplest way to deposit on a regular or occasional basis is by completing a Direct Debit mandate from your nominated current account. If you complete a mandate rest assured we will only ever request Direct Debit payments on your instruction. Please note Direct Debit instructions take three business days to set up.

Alternatively you can send a cheque to Scottish Widows Bank or you can transfer funds by CHAPS (these must come from an account in your organisation’s name). CHAPS can allow you to transfer funds between your accounts on the same day. Please contact Scottish Widows Bank on 0345 845 0829 for further details.

Withdrawals

When you need to withdraw funds 90 days’ notice is required. Simply write to Scottish Widows Bank at PO Box 12757, 67 Morrison Street, Edinburgh, EH3 8YJ or call 0345 845 0829 (please see the section ‘operating your accounts’). At the end of the notice period, the money will be paid directly into your nominated account.

Withdrawal payments cannot be made directly to a third party.

The minimum withdrawal is £100.

Any withdrawals where 90 days’ notice is not given would be subject to a loss of 90 days’ interest on the withdrawal amount. This may be taken from your account balance if the interest earned is less than the value of 90 days’ interest on the balance amount withdrawn. Scottish Widows Bank reserves the right to deduct the shortfall from your original deposit.

Account suitability

As this is a notice account it may not be suitable for all clients. If you feel you need instant access to your funds CAF can give you access to other accounts that may be more suitable for you. Please call us to discuss other options on 03000 123 444 or visit www.cafonline.org/savings
CAF 1 Year Fixed Term Deposit Account

Account features

The CAF 1 Year Fixed Term Deposit Account is a deposit account provided by Scottish Widows Bank. Available only to charitable organisations it's a simple way to get more out of funds that you won't need to access for the next year.

The account is available in issues. Each issue has a specified offer period and maturity date – a year after the end of the offer period. Funds must be received before the end of the offer period. The fixed interest rate earned during the one year term is determined before the start of the offer period and is available for you to check before you choose to open your account.

Interest

The fixed rate of interest will apply from when the account is opened until maturity.
- The interest earned during the offer period will be added to your original investment at the end of the offer period.
- The interest earned after the end of the offer period will be applied to the account on the maturity date.

The fixed rate and dates applicable to each issue can be found on the enclosed interest rate sheet or on our website www.cafonline.org/rates

Interest will be paid gross and you will be responsible for paying any tax due to HMRC.

Amount of deposit

Minimum £10,000
Maximum balance £5,000,000

After the end of the offer period money can't be added to the same account. If you have further deposits to make we'll help you to open additional accounts when a new issue is available.

Withdrawals

As this is a 12 month fixed term deposit account, no partial withdrawals may be made throughout the one year term, and you cannot close the account before the maturity date.

Account suitability

As this is a fixed term account with no partial withdrawals allowed, it may not be suitable for all clients. If you feel you need instant access to your funds, CAF can give you access to a range of savings products with competitive interest rates that may be more suitable for you. Please call us on 03000 123 444 to discuss other options or visit www.cafonline.org/savings

What happens at the end of the term?

Scottish Widows Bank will write to you at least 30 days before the end of the one year term. Your options will be:
- roll over your current term deposit into another CAF Fixed Term Deposit Account available at the time of maturity
- transfer money to a CAF 90 Day Notice Account which pays a variable rate of interest
- transfer money to your nominated account – we will happily discuss your options at this time

If no instruction is received from you the account will convert to an instant access variable interest rate account, equivalent to the Bank of England base rate. See terms and conditions for more information.
Operating your account(s)

These accounts are operated by Scottish Widows Bank. All enquiries once the account is up and running should be directed to Scottish Widows Bank on 0345 845 0829. Telephone lines are open 8am to 6pm Monday to Friday, and from 10am Wednesday.

You may elect one or more signatories on the account, as is appropriate for your organisation. The following details will help you to understand the operational differences.

- All signatories to the account are separately responsible for keeping to its terms. If any signatory does not keep to the terms we can take action against them; individually or all together.

- Information about the account can be given to any signatory by telephone (even if you choose that more signatories are required to sign instructions). Security details will be required.

- If you choose to allow any signatory to authorise transactions, they will be able to close/withdraw funds which may be without other signatories' knowledge. Scottish Widows Bank is not obliged to make enquiries about the purpose of any transactions.

- The account cannot later be put into just one of the signatories' names.

- If there is a dispute between signatories about the running of the account, Scottish Widows Bank may require all signatories to authorise transactions until you agree how the account is to be run.

- If more than one signatory is required to authorise transactions the instructions can only be accepted in writing. If one signatory is required to authorise transactions for the account, instructions can be accepted by telephone or in writing.

Please note the instructions you give will apply to all future accounts you open with Scottish Widows Bank unless you specifically tell us otherwise.

Each year Scottish Widows Bank will pay CAF Financial Solutions a contribution to the equivalent value of 0.1% of the value of your deposit. All CAF Financial Solution's profits (after tax) are transferred to CAF and used to benefit the third sector in accordance with its charitable objectives. This amount will not affect your own savings balance or the interest payment you receive.
Important information about compensation arrangements

Eligible deposits with Scottish Widows Bank are protected by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Please note that, due to FSCS eligibility criteria, not all non-personal customers will be covered.

For further information about the compensation provided by the FSCS (including amounts covered and eligibility to claim), please see the Financial Services Compensation Scheme (FSCS) Information sheet, refer to the FSCS website, www.FSCS.org.uk, or call the FSCS on 0800 678 1100.

How to apply

- Complete the enclosed application form, ensuring you have read and understood the terms and conditions. A separate application is required for each account.

- Make a cheque payable to Scottish Widows Bank – and your charity name, e.g., ‘Scottish Widows Bank – xyz charity’

The cheque must be drawn from an account in your organisation’s name. If you prefer to make your payments by CHAPS, select this option on the application form and enclose a recent original bank statement from your organisation’s current account. Please contact Scottish Widows Bank’s customer service staff on 0345 845 0829 for exact requirements for CHAPS payments.

INFORMATION SHEET

ADDITIONAL INFORMATION

1 Scheme responsible for the protection of your eligible deposit
Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

2 General limit of protection
If a covered deposit is unavailable because a bank is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £85,000 per bank. This means that all eligible deposits at the same bank are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank operates under different trading names. Lloyds Bank plc also trades under those trading names detailed above. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

a) Certain transactions relating to the depositor’s current or prospective only or main residence or dwelling,

b) A death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;

c) The payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under http://www.fscs.org.uk

3 Limit of protection for joint accounts
In the case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

4 Reimbursement
The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QH.Tel: 0800 678 1100 or 020 7741 4100.
Email: ICT@fscs.org.uk

It will repay your eligible deposits (up to £85,000) within 20 working days until 31st December 2018; within 15 working days from 1st January 2019 until 31st December 2020; within 10 working days from 1st January 2021 to 31st December 2023; and within 7 working days from 1st January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1st June 2016 until 31st December 2022, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request. If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under http://www.fscs.org.uk

OTHER IMPORTANT INFORMATION

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank shall also confirm this on the statement of account.

EXCLUSIONS LIST

A deposit is excluded from protection if:

1) The holder and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank.

2) The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering.

3) It is a deposit made by a depositor which is one of the following: credit institution, financial institution, investment firm, insurance undertaking, reinsurance undertaking, collective investment undertaking, pension or retirement fund1, public authority, other than a small local authority.

For further information about exclusions, refer to the FSCS website at www.fscs.org.uk

Deposits by personal pension schemes, stakeholder pension schemes and occupational pension schemes of micro, small and medium sized enterprises are not excluded.

Does 50% or more of your income come from an active source?
[ ] Yes    [ ] No    [ ] Don’t know

If you’ve answered ‘No’ or ‘Don’t know’ you must provide the Controlling Persons information in section 9.

Guidance notes

- For limited companies/partnerships (based on latest financial accounts), is 50% or more of the income derived from the main active trade of the company (as opposed to ‘passive’ forms like bank interest, royalties, investment income).
- For government, this includes funds from grants, subsidies or tax receipts.
- For charities/clubs, this includes money from subscriptions, donations, fundraising and rebates/subsidies.
- For trusts, active income would include amounts received from business activities undertaken by the trust (e.g. income generated from managing or liquidating an estate) but would generally exclude dividends, interest and equivalent income or capital appreciation derived from investments made by the trust.
- For start-up companies, this question must be based on historic income and not on projected or forecast income. Start-up customers can therefore only answer ‘Don’t know’ to this question.
2 Taxation status
Interest will be paid gross and you will be responsible for paying any tax due to HMRC.

Welcome

We are Scottish Widows Bank and we provide Charities Aid Foundation (CAF) savings accounts. This booklet explains how your CAF savings account works, and includes its main conditions.

This booklet contains:

■ an explanation of what makes up our agreement with you for your CAF savings account and related services; and

- The ‘general conditions’ in this booklet. They are the main terms for your Scottish Widows Bank CAF savings account and for our non-personal savings relationship with you; and
- The ‘additional conditions’, which are the interest rates, charges and other terms that apply to a specific account or service. We give these to you when speaking to you or in documents such as this booklet, our application forms, letters or leaflets (such as our welcome letter), our ‘Interest Rates and Charges’ sheet and on our website.

Additional conditions include things like when we will pay interest and how to qualify for a particular account or interest rate.

If an additional condition conflicts with a general condition, the additional condition applies.

Our accounts are for charitable organisations registered with the Charity Commission for England and Wales, Office of the Scottish Charity Regulator, Charity Commission for Northern Ireland or recognised by HMRC to have charitable status in the UK. You must only open or use an account for the purpose of a charity.

You explicitly consent (or have obtained the explicit consent of the relevant individual) to us accessing, processing and retaining any information you provide to us for the purposes of providing payment services to you. This does not affect any rights and obligations any of us have under data protection legislation. You may withdraw this consent by closing your account.

Section B

Additional conditions

You will see from Section G that we treat payment accounts and restricted savings accounts differently when we make any changes to your conditions or interest rate. The table below shows the accounts in our current range that we treat as payment and restricted savings accounts.

The additional conditions for your account will tell you the features of the account and details of how it can be used. For example, they say whether or not you are allowed to make withdrawals or if your account is for a fixed term.

CAF 90 Day Notice Account

A variable 90 day notice account for holding charity funds.

Opening a CAF 90 Day Notice Account

When opening a CAF 90 Day Notice Account you:

- Can open an account by printing the online application form and posting it to Savings and Investment Services, CAF Financial Solutions Limited, 25 Kings Hill Avenue, Kings Hill, West Malling, Kent ME19 4TA.
- Must pay in a minimum deposit of at least £10,000.
- Can only pay into your account by:
  - cheque from an account in your organisation’s name; or
  - transferring money from another CAF account in your organisation’s name; or
  - CHAPS from your nominated account.
- Your payment into your account must be in sterling.
- Have up to 30 days from account opening to pay in. You can make several payments in during this time up to the maximum account balance of £5 million.

Having a CAF 90 Day Notice Account

Our interest on CAF 90 Day Notice Account:

- Is variable – it will change while you have your account.
- Can be paid monthly, quarterly or annually. You can choose the period. If you choose annual interest, it will be paid each year on the first working day of the month in which you opened the account. For example, if you have opened an account on 16 May 2016, your annual interest will be paid on 1 May in each future year. If you chose any other interest period, it will be paid on the first working day of your chosen period. If you do not choose an interest period, your interest will be paid annually.
- The minimum account balance required for monthly interest is £50,000.
- Will be paid into this account or you can ask us to transfer it to a different CAF account with us in the same name. If the balance is above £2,500, you can ask us to transfer the interest to your nominated account.
- Is subject to the agreed period of notice before funds are released. We may allow earlier withdrawal, which we regard as non-standard, at our discretion but this will affect the interest payable on the account – this will also be the case if you withdraw funds by closing your account with less notice. Please see the “Operating your account” section for further details.
We guarantee applicable interest rates will not fall below a certain level in relation to a reference interest rate (a ‘floor’), if a floor is set out in your ‘Interest Rates and Charges’ sheet. If there is an increase in the reference interest rate which results in the annual interest rate we pay on your account coming to be lower than the floor we will increase the annual interest rate on the first day of the month following the date on which it comes to be lower than the floor without giving you advance notice.

The increased rate will be equal to the floor in force on the date when the increase takes effect. We may also further increase the annual interest rate at the same time under the general conditions.

Operating your account:
- You can operate the account by post or by calling us.
- Your payment into your account must be in sterling.
- You can only pay into your account by:
  - Direct Debit from your nominated account;
  - CHAPS from your nominated account;
  - cheque from an account in your organisation’s name; or
  - transferring money from another CAF account in your organisation’s name.
- Any payments into your account after it is open must be at least £100.
- You may withdraw money from your account by electronic transfer to:
  - your nominated account; or
  - another Scottish Widows Bank deposit account in your organisation’s name(s). We will debit the money from your account 90 days after receiving your request and it will be credited to the other account and available to withdraw.
- You cannot have a balance of more than £5 million.
- The minimum withdrawal which you can make is £100. Withdrawals from the account require 90 days’ notice to be given. Payments will then be made direct to your account in accordance with the bank details already advised to us. If early withdrawal is agreed, which we regard as non-standard, we will deduct the equivalent of 90 days’ Gross interest on the amount withdrawn from the balance of your account before debiting the withdrawal. This may be taken from your account balance if the interest earned is less than the value of 90 days’ interest on the amount withdrawn. We reserve the right to deduct the shortfall from your original deposit. From time to time we may introduce or change the limits on the amount and frequency of any withdrawals. If we do so we will tell you about the changes.
- If you ask us to make a payment the money will be in your nominated account 90 days after receiving your request (or on the next working day if the 90 day date falls on a non-working day).
- You get regular statements to help you keep track. You can ask for monthly, quarterly or annual statements.

Having a CAF 1 Year Fixed Term Deposit Account

Our interest on CAF 1 Year Fixed Term Deposit Account:
- Is fixed – it will not change during the one year term.

  - roll over your current term deposit to another Fixed Term Deposit account existing at the time of maturity provided you complete another application form;
  - transfer money to another CAF savings account with Scottish Widows Bank;
  - transfer money to your nominated external account;
  - allow the account to revert to our CAF Maturity Base Rate Tracker Account, which has a variable rate, equivalent to and tracks the Bank of England Base Rate.
- If we do not receive instructions from you (or we cannot reasonably comply with your instructions), on the last day of the term (or the next working day if this falls on a Saturday, Sunday or Bank Holiday), the account will convert to a CAF Maturity Base Rate Tracker Account.

CAF Maturity Base Rate Tracker Account

An easy-access account with variable interest rate, only for customers with maturing CAF fixed term deposit accounts.

Opening a CAF Maturity Base Rate Tracker Account

When we open a CAF Maturity Base Rate Tracker Account for you:

- The balance in your CAF 1 Year Fixed Term Deposit Account will transfer to your CAF Maturity Base Rate Tracker Account.

Having a CAF Maturity Base Rate Tracker Account

Our interest on the CAF Maturity Base Rate Tracker Account:
- Is a tracker rate which is equivalent to the Bank of England Base Rate. It can change while you have your account. If the Bank of England Base Rate changes, the interest rate on your CAF Maturity Base Rate Tracker Account will move up or down on the first working day following the Bank of England Base Rate change. For the rate, see the latest Bank of England Base Rate at www.bankofengland.co.uk or call us.
- Can be paid monthly, quarterly or annually. It will be paid on the same date as interest was paid to the CAF 1 Year Fixed Term Deposit Account which was transferred to your CAF Maturity Base Rate Tracker Account.
- Can only be paid monthly if your balance is at least £50,000.
- Will be paid into this account or you can ask us to transfer it to a different CAF account with us in the same name. If the balance is above £2,500, you can ask us to transfer the interest to your nominated account.
Operating your account:

- You can operate the account by post or by calling us.
- You must make payments into your account in sterling.
- You cannot have a balance of more than £5 million. If you wish to discuss special arrangements to deposit larger amounts, you may call us.
- The ongoing balance of the account must be at least £500.
- Payments into your CAF Maturity Base Rate Tracker Account after it is open must be at least £100 and can be made regularly.
- The minimum withdrawal you can make is £100. From time to time we may introduce or change the limits on the amount and frequency of any withdrawals. If we do so we will tell you about the changes.
- You may only withdraw money from your account by electronic transfer, to:
  - your nominated account; or
  - another CAF savings account in your organisation's name. When we process your instructions, we will debit the money from one account and it will be credited to the other account and available to withdraw.
- You get regular statements to help you keep track. You can ask for monthly, quarterly, or annual statements.
In the following sections we set out the general conditions for your CAF savings account(s).

**Section C**

**Checks, account security and keeping you informed**

We need to make sure that only you can access your accounts. This section explains what you and we both need to do to protect your information and accounts. It also covers the information we will give you about your account.

<tr>

</tbody>

1. **How do we identify your organisation, signatories and owners and know we are dealing with you?**

1.1 To comply with money laundering regulations, we need to verify the identity of your organisation, trustees, directors, signatories and beneficial owners when opening the account. Please read our Privacy Notice for further information on what we do. This can be found on our website [www.scottishwidows.co.uk/bank/savings/full_privacy_notice.html](http://www.scottishwidows.co.uk/bank/savings/full_privacy_notice.html), or you can request a copy by calling us. Please see details in “How to contact us”.

1.2 You will not be allowed to operate the account until the money laundering checks are complete.

1.3 For more details about identity checks, please refer to [www.moneyadviceservice.org.uk](http://www.moneyadviceservice.org.uk)

1.4 We will assume we are dealing with you and will provide information about your accounts and services and act on instructions (without further confirmation) if we have checked your identity, for example in one of the following ways or in any other way we may introduce:

<table>
<thead>
<tr>
<th>Method of instructing us</th>
<th>Check</th>
</tr>
</thead>
<tbody>
<tr>
<td>in writing</td>
<td>Your signature(s) – the only people who can instruct us are listed as authorised signatories on the application form and we may need to have more than one signature if that is what has been agreed with you.</td>
</tr>
<tr>
<td>Telephone, or Internet Banking or using a device</td>
<td>Use of your security details</td>
</tr>
</tbody>
</table>

1.5 Where you instruct us in writing, we will accept instructions by letter or postal instruction forms. The forms are available via our website or on request from our customer service team.

1.6 If more than one signatory is required to operate the account, instructions can only be accepted in writing. If only one signatory is required to operate the account, instructions can be accepted by telephone or in writing.
2. **How do you and we keep your account secure?**

2.1 We will do all we reasonably can to prevent unauthorised access to your accounts and to make sure they are secure.

2.2 You must, and you must procure that your employees, agents and representatives comply with the following obligations:

- follow instructions we give you, which we reasonably consider are needed to protect your accounts from unauthorised access;
- not let anyone, other than the authorised signatories on the account and any other person we agree to use the services in accordance with Section I 14.3, use your device and security details;
- not let anyone give instructions or access information on your accounts unless they have a separate arrangement with us or you have authorised them to operate your account for you;
- not email us confidential information or instructions (If you need to contact us, please see details in “How to contact us”);
- keep your device secure and protect it from damage; and
- do all you reasonably can to prevent anyone else, other than the authorised signatories on the account and any other person we agree to use the services in accordance with Section I 14.3, finding out your security details.

- You should not:
  - tell anyone your security details;
  - choose obvious passwords or codes (such as your date of birth) as part of your security details;
  - write your security details on, or keep them with, your device or any documents for your CAF savings account;
  - write down your security details in a recognisable way; or
  - let anyone listen to your calls with us, or watch you entering or using your security details.

2.3 You must tell us as soon as possible (see “How to contact us”) if you:

(a) think any device or security details have been lost, stolen, damaged or are being misused; or
(b) think someone can access your accounts without your authority or has discovered your security details.

- If your security details are stored on a device (like a smartphone), you should tell us if you lose your device.

2.4 If we, the police or other authorities are investigating any misuse or alleged unauthorised use of your accounts, you must provide information and help that we or they ask for if the request is reasonable. We, the police or other authorities would never ask you for your security details. We may pass related information to other banks or companies involved in payment processing, or to the police or other authorities, in the UK or (if appropriate) abroad.

2.5 You are responsible for checking statements or other account information we give you. We will correct any errors as soon as reasonably possible after becoming aware of them.

3. **How will you get statements and other information?**

3.1 If there are payments out of your account, we will either provide information on those payments by letter or send a statement within one month. You can ask us to provide this information less often than monthly by calling us on the number provided in “How to contact us.” We will always provide a paper statement at least once a year. You may receive a regular statement more often than once a year, if we have agreed this with you. Statements will set out all the payments into and out of your account and give other information about them. We will also send you confirmation of all transactions of £10,000 or over.

3.2 You can ask for information about your accounts or order a statement by telephone. If we have already provided a statement, we may charge you for a duplicate.

3.3 When we send you statements, we may put messages on or with your statements to tell you about changes to this agreement or to other agreements or services you have with us.
Section D

Making and receiving payments

In this section we explain how you can ask us to make payments from your account, how soon you can use money paid in and when we pay interest. We also explain how to stop payments and what happens if something goes wrong. Payments include withdrawals and transfers to other accounts.

### Meaning of words we have used

<table>

<td>Monday to Friday (except English bank holidays). You can give some instructions for payments on non-working days, but we do not complete their processing on our systems until the next working day. This is explained below.</td>
</tr>
<tr>

<td>The latest time we can process instructions or add payments to an account.</td>
</tr>
<tr>
<td>device</td>
<td>Anything such as a computer, smartphone or another device that you can use on its own or in combination with your security details to access your account or give instructions.</td>
</tr>
<tr>

<td>A payment to or from the account made by any type of telecommunication, digital process or device and does not include cash or cheques.</td>

</tr>
<tr>
<td>security details</td>
<td>Details or security procedures you must follow or use to make an instruction, confirm your identity or access a device (for example a password or security code).</td>
</tr>
</tbody>
</table>

The time periods below assume we receive a payment or payment instruction before the cut-off time on a working day. If it is received after the cut-off time or on a non-working day, we will treat it as being received the next working day.

4. **How can payments be made into your account?**

4.1 Subject to any restrictions in the additional conditions for your account, payments in sterling can be made into it by cheque and direct transfer from your nominated account. Cut-off times for payments into your account will depend on how the payment is made. The table shows our cut-off times for receiving payments by cheque or direct transfer.

<tbody>
<tr>

The following tables show how we process these payments.

### 4.2 Direct payments received from your nominated account or from another Scottish Widows Bank account

<table>
<thead>
<tr>

</tr>
<tr>

</tr>
</tbody>
</table>

To collect regular or occasional transfers by Direct Debit, from your nominated account, we will require a completed Direct Debit mandate. Please note that it takes three working days to set up a Direct Debit mandate and we are unable to collect funds on your behalf during that period.

Once the Direct Debit mandate is set up, we will ask for the payment to be sent to us on the day specified in your Direct Debit mandate, provided this is at least three working days from when we request your payment to be sent to us. We will process your Direct Debit request on the working day we receive it or if after the cut-off time or if on a non-working day, the next working day.

If no day is specified, we will request the payment from your nominated account on the day we process your Direct Debit request. We will usually receive the payment three working days after we request it. For example, if we request the payment on Monday, it will reach your account by Thursday.

Scottish Widows Bank does not accept funds transferred in by other means e.g. bank giro credit, standing order or dividend mandate.

### 4.3 Cheques from the nominated account paid into the CAF savings account at Scottish Widows Bank

Cheques must be drawn from an account in your organisation’s name. We recommend that cheques issued by your organisation are made payable to: Scottish Widows Bank [Account holder’s Name].

Third party cheques are not permitted. Building society cheques must be verified to confirm they are from an account held in your name. (Please arrange for the issuing branch to stamp and sign the reverse of the cheque and add your name, sort code account number and roll number if applicable).

Payments show in your account on the working day we receive the cheque.

The table below explains what happens while the cheque is being ‘cleared’ (collected from the other bank).

We use one of the two clearing cycles:
- The “2-6-6” process
- The “Cheque Imaging” process (being introduced during 2018)

The “Cheque Imaging” process will be introduced gradually, and if we are using the new process we will display a notice when you pay in a cheque.

</tbody>
</table>

♦ “2-6-6” Clearing process
If you pay a sterling cheque into your CAF savings account at Scottish Widows Bank and we receive it on a Monday, you will see it in your account the same day. It counts towards any interest on Wednesday, you can use the money on the following Tuesday and we cannot take the payment out of your account after that day.

♦ “Cheque Imaging” process
If you pay a sterling cheque into your CAF savings account at Scottish Widows Bank and we receive it on a Monday, you will see it in your account the same day. It counts towards any interest and you can use the money on Tuesday by 23.59 at the latest.

Important information
We may refuse a sterling cheque for payment into your account if it is more than six months old.

Scottish Widows Bank does not accept non sterling cheques.

4.4 General terms about payments
If we are told, for example by another bank, that money has been paid into your account by mistake, we can take an amount up to the mistaken payment amount from your account. We do not have to ask you to agree to this, but will let you know if it happens. We will act reasonably and try to minimise any inconvenience to you.

If we become aware that a payment into your account was made by mistake or fraud within two months of receiving the payment, we will:

- make sure the amount of the payment is not available to you to use (we might do this by taking the amount out of your account or by limiting access to the amount in the account); and
- tell you we will return the payment to the paying bank unless you tell us within 15 working days that the payment was not made by mistake or fraud. If you do not respond within 15 working days, we will return the amount to the paying bank.

If we become aware that a payment into your account was made by mistake or fraud more than two months after the receipt of the payment, we will normally contact you before restricting your use of the amount in the account.

If we cannot return the funds to the payer, we may give information about you and your account to the payer’s bank so they can recover the money.

We may refuse to accept a payment into an account or make a payment from it if we reasonably believe that doing so may:

- cause us (or another company in the Lloyds Banking Group) to breach a legal requirement; or
- expose us (or another company in the Lloyds Banking Group) to action from any government or regulator.

5. How can you make payments out of your account?

5.1 Making a payment
If you want to make a payment, we will check we are dealing with you as set out in Section C.

- For certain accounts, the types of payment and the way you can make them may be limited. The ‘additional conditions’ tell you the payment services available on your account.
If we receive a payment instruction after the cut-off time on a working day, we will act on it on the next working day. The cut-off time for making payments depends on how and where a payment is to be made, but for a payment in sterling within the UK is not usually before 6pm (UK time). You can ask us for details, and we have some extra information about cut-off times for particular payments in Section M.

If you ask us to make a payment on a future date, we will make the payment on that date, unless it is a non-working day, in which case we will make the payment on the following working day.

5.2 Payment details
For us to make a payment for you within the UK, we need the sort code and account number (which is what we rely on for the purposes of processing your payment instructions) and we may also ask for other details from time to time.

You must check that the details are correct before asking us to make a payment.

5.3 When can we stop you making payments?
We can stop or suspend your ability to make payments using any device or security details if we reasonably consider it necessary because of:

- security – including if you tell us you have lost your device; or
- suspected unauthorised or fraudulent use of a device or your security details.

If we do this, we will act in a reasonably appropriate way and will try to reduce your inconvenience. Unless the law prevents us doing so or we reasonably believe it would undermine our security measures, we will try to contact you in advance to tell you we are doing this and why. If we cannot tell you in advance, we will tell you as soon as possible afterwards.

5.4 When can we refuse to act on an instruction?
We can refuse to make a payment if:

- our internal security controls require you to produce additional identification or prevent us carrying out the transaction (for example, if it is for more than the maximum amount we set at any time) - we will let you know if we are stopping a payment for this reason;
- the payment seems unusual compared with the way you normally use your account, in which case we may investigate further, for example by calling you;
- you do not have available funds to make the payment or you have exceeded a limit we have applied to your account or device;
- the payment instruction is not clear or does not contain all the required details;
- there is a regulatory requirement that tells us to;
- we reasonably believe that you or someone else has used, is using or obtaining, or may use or obtain a service or money illegally or fraudulently;
- we reasonably believe that someone else may have rights over money in your account (in this case we can also ask – or require you to ask – a court what to do, or do anything else we reasonably need to do to protect us); or
- any other reason set out separately in this agreement applies.

5.5 What happens if we refuse to act on an instruction?
Unless the law prevents us, we will try to contact you to tell you we are refusing, or are unable, to act. We will do this as soon as we can and before the time any payment should have reached the bank or building society you are sending it to. If you want to check whether a transaction has been accepted, you can call us (see “How to contact us”).

Additional information about failed payments
You can contact us to find out (unless the law prevents us telling you) why we have refused to act on your payment instruction and how you can correct any factual errors that led to our refusal.

5.6 Can you cancel or change a payment?
You cannot change or cancel a payment that you have instructed us to make immediately but you can cancel any payment you asked us to make on a future date. To do this, you must tell us on the working day before the payment is due to be made.

If a banking industry payment scheme such as the Current Account Switch Service tells us that a person you have asked us to pay has switched their account to another bank, we will update your instruction with the new account details. This will mean your payment reaches the correct account within the agreed timescales as set out in this booklet.

## How long will your payment take?

If your account allows you to make payments, this section tells you how quickly we will send payments to the payee’s bank. Please refer to your account’s additional conditions to see what payments you can make.

The payee’s bank must pay the funds into the payee’s account on the day it receives the payment from us.
Section F

How we calculate interest and account charges

As long as you have enough money in your account, we will pay you interest on amounts we hold for you. We also have charges for some account services.

7. Where can you find information about our interest rates and account charges?

Our ‘Interest Rates and Charges’ sheet contains our usual ‘Interest Rates and Charges’ for our CAF savings accounts and most regular services. When you opened your account, you will have been given this information but if you would like another copy, call us (see “How to contact us”).

You can also obtain details of our ‘Interest Rates and Charges’ by contacting CAF’s Charity Client Relations team (see our “Welcome” section) or by visiting the CAF website at www.cafonline.org/rates

8. How do we work out how much interest to pay?

8.1 Unless we have told you otherwise, we calculate any interest we pay on a daily basis, based on the daily balance of your account.

8.2 The additional conditions will tell you when we pay interest on your account. They will also say whether we pay interest into the account and whether we can pay it to another account. We will calculate any interest on amounts credited to your account as they become part of the account balance. This will depend on when and how the relevant payment is made into your account – see Section D.

If we are due to pay interest on a non-working day we will pay it on the next working day unless the ‘additional conditions’ for your account state otherwise. We pay interest at the end of a working day. So you may not be able to withdraw the interest until the following day. You may not see it as part of your account balance online until shortly after midnight.

8.3 If you make a withdrawal from your account, we pay interest on the amount of the withdrawal up to and including the day before it leaves your account, unless you make the withdrawal on a non-working day. If so, we continue to pay interest up to and including the day before the working day after your withdrawal.

◆ If you make a withdrawal on a Saturday, we will pay interest on the amount withdrawn on the Saturday and the Sunday, but not the Monday (unless the Monday is a bank holiday).

8.4 If we pay interest on your account, we will pay it ‘Gross’. You will be responsible for paying any tax you owe directly to HM Revenue & Customs.

8.5 We may take any charges you owe us from the same account. We will refer to the charges in our ‘Interest Rates and Charges’ sheet when you call, and write to confirm the details.

8.6 You must not allow your account to go overdrawn. If your account does go overdrawn, this does not mean we have allowed you to have an overdraft. You must immediately pay us back the amount you are overdrawn.
**Section G**

**How and when we can make changes to this agreement**

As this agreement could last a long time, we will need to change its terms occasionally. We can foresee some of the reasons why it would be fair for us to do this, and have listed them below, but we may in the future also want to make changes for other reasons. We will tell you about these changes, and how they will affect you, in advance. You may be able to close an affected account or end your relationship with us if you do not want to accept any change we tell you about.

This section refers to two types of account: ‘payment accounts’ and ‘restricted savings accounts’. The account’s ‘additional conditions’ tell you which type you have.

**9. What can we change?**

9.1 We can change the general or additional conditions that apply to a particular account, benefit or service.

- We may change any of the terms in this booklet, and the ‘Interest Rates and Charges’ that apply to an account.

9.2 We cannot change terms that we tell you are fixed, such as interest rates that are fixed for a set period.

**10. Why can we make a change?**

<td>We may introduce new measures to combat fraud.</td>
</tr>
</tbody>
</table>
10.2 We may also make changes for any other reason we cannot foresee.

- We may need to respond to changes in the banking sector caused by increased competition that affect how we provide our services and what we charge for them.

10.3 If the interest rate on your account is a ‘tracker’ rate, the rate will change automatically in line with the reference interest rate it is linked to. The additional conditions will say how soon the tracker rate will change after a change in reference interest rate.

11. How and when will we tell you about changes and what are your rights?

12. What are your rights if you want to close or switch an account in response to notice of a change?

For a change where we have to give you advance notice, you can tell us you do not want to accept the change using the contact details at the start of this booklet. We will take this as notice that you wish to end the agreement or close or switch your account immediately. If there is normally a charge for closing or switching your account, it will not apply. If we do not hear from you, we will regard you as accepting the change on the date it comes into force.

Section H

How we manage accounts operated by one or more individuals

13. Who is authorised to give instructions to us?

13.1 All signatories to the account are separately responsible for keeping to its terms. If any signatory does not keep to them, we can take action against the signatories either all of you singly or together.

13.2 We may give any information about the account to any signatory (even if you choose that all signatories must sign instructions to us), by telephone. Security details will be required.

13.3 If you choose to allow any signatory to authorise transactions on the account, any signatory will be able to withdraw any amount in the account (which may be without the other signatories’ knowledge). We will not be obliged to make any enquiries about the purpose of any transactions.

13.4 The account cannot later be put into just one of the signatories’ names.

13.5 If there is a dispute between the signatories about the running of the account, we may require all signatories to authorise all transactions until you all agree how the account is to be run.
Section I

Can someone else operate your account?

14. How can someone else operate your account?

14.1 If you want or need someone else to operate your account, you must generally provide appropriately signed instructions in writing, or sign a form we give you or grant a power of attorney to someone, which authorises them to operate your account.

14.2 In certain circumstances, the law may require us to allow someone else to operate your account – for example, if you are Insolvent. Please refer to the definition of “Insolvent” in the “Meaning of words we have used” section in Section K to understand what this means.

14.3 For security reasons, we may not allow another person access to all of the services we provide to you. If we do allow them to use a service, you can tell them your security details as long as they agree to keep them safe and agree to comply with the conditions set out in Section C 2.2.

14.4 We are not responsible for an act (or failure to act) by someone else allowed to operate your account as long as we did not know or suspect they were acting dishonestly towards you.

Section J

Who is responsible for any loss?

It is important for you to understand what you and we take responsibility for and when you may be liable under this agreement.

15. Incorrect payments

15.1 When will we refund incorrect payments?

We will refund the amount of a payment and any charges you paid as a result of it, and pay you any interest we would have paid you on that amount, if:

- you asked us to make the payment to an account at another bank in the EEA and the payment was not made properly or never arrived, unless there was a mistake in any of the details in the payment instruction or we can show that the payment was received by the other person’s bank. We will provide the refund without undue delay; or
- the payment was unauthorised (see ‘Unauthorised payments’ below). We will provide the refund as soon as we can and in any event by the end of the next working day.

### Additional information about payment refunds

We will not refund the payment if you tell us more than 13 months after it was made that the payment was not made properly or was unauthorised.

If a payment goes to the wrong person or is delayed because you gave us the wrong details, we will not be liable but we will try to recover the payment for you. We may charge our reasonable costs for doing so. If a payment is delayed due to our error, you can ask us to ensure that the receiving bank credits the payment to the payee’s account as if it had been made on time.
15.2 What happens if we incorrectly execute or fail to execute a Direct Debit payment instruction?

If you ask us to transfer money to your account by Direct Debit, and the payment is not made correctly or never arrived, we will:

- immediately ask the paying bank to make the payment to us again; and
- refund to you any charges you paid and pay you any interest we would have paid you on the amount that should have been transferred as a result,

unless we can show we submitted our request to the paying bank correctly, or you gave us the wrong details in the payment instruction.

16. Unauthorised payments

You are not liable for any payments or withdrawals from your account that you do not authorise. If you are not liable for a payment, we will refund or pay the amount of the payment and interest you lost as a result of the payment. We will not have any further liability. There are two exceptions to this rule:

1. If we can prove you acted fraudulently, you will be liable for all payments from the account that we could not stop.
2. If we can prove you have been grossly negligent with your device or security details, you will be liable for payments from your account but only until you have told us your device or security details have been lost, stolen or could be misused. In some cases, you will not be liable for a payment instruction you did not give yourself. These include where we have failed to tell you how to report that your device or security details have been lost, stolen or could be misused or where the unauthorised payment was made by telephone or internet.

17. What happens if we break the terms of this agreement?

17.1 We are responsible if you suffer loss because we have broken this agreement. There are three exceptions to this rule:

1. We are not liable for losses or costs caused by abnormal and unforeseeable circumstances outside our reasonable control, which would have been unavoidable despite all efforts to the contrary. These include delays or failures caused by industrial action (e.g. strikes), problems with another system or network, mechanical breakdown or data-processing failures.
2. We are not liable for losses or costs where a regulatory requirement means we must break this agreement.
3. We are not liable for losses or costs you suffer (such as loss of business profits or opportunities) as a result of anything we have done.

17.2 Nothing in this agreement limits our liability for acting fraudulently or very carelessly or otherwise excludes or limits our liability to the extent we are unable to exclude or limit it by law.

- the making of any composition, compromise, assignment or arrangement with any of your creditors;
- the appointment of an administrator in respect of you (including, for the avoidance of doubt, the filing of a notice of intention to appoint an administrator, or an application being made to court for the appointment of an administrator in respect of you);
- the appointment of a liquidator in respect of you (including the presentation of a winding up petition, the convening of a meeting of members or creditors for this purpose, or any resolution being passed to appoint a liquidator in respect of you);

- any similar procedure in another jurisdiction; or

- you cease or threaten to cease to carry on business.

18.1 We may suspend an account or service and we will give you two months' notice in writing before doing so, if:

- we think you do not want it anymore because you have not used it for 12 months; or
- if you are no longer eligible for it.

18.2 If you are Insolvent, we may suspend an account or service immediately.
19. Ending this agreement or an account or service

19.1 This agreement continues until you or we cancel or end it. The table below shows how this agreement (or any account or service) can be ended. If we end it, we will act in a manner we think is reasonably appropriate for the circumstances and will try to reduce the inconvenience to you.

19.2 When this agreement ends, any account covered by it will close and any service we provide under it will stop. You must also:

(a) repay any money you owe us (including any payments you have made that have not yet been taken out of your account);
(b) pay any charges up to the date the agreement, account or service ends; and
(c) if your account allows them, cancel any direct payments into or out of your account.

19.3 If this agreement (or a service under it) ends, it will not affect any legal rights or obligations that may already have arisen or any instructions already given.

19.4 When this agreement ends (or your account is closed) we will pay or transfer money we hold for you or owe you under this agreement (or in the account) to you, or to any other person you name in writing. However, we may keep enough money to cover anything you owe us or, if you have broken this agreement, any loss of ours that results.

19.5 If you are a sole trader, in the event of your death we may need to see a grant of probate, certificate of confirmation or grant of representation before releasing money in your account to your personal representatives.

19.6 After this agreement ends, we will keep any rights we have under general law. We may continue to hold and use your personal data but only to the extent we need to do so as set out in our privacy statement. This is available at www.scottishwidows.co.uk/bank/savings/full_privacy_notice.html or by asking us.
Section L

Other important terms

20. What happens if you do not meet the conditions we set for an account type?

20.1 We may change an account you hold with us to a different account if:

(a) you stop being eligible for your existing account in any way;
(b) you are no longer registered in the United Kingdom; or
(c) you make a complaint and we agree that the account may not be suitable for you.

Before changing your account to a different account, we will give you at least two months’ notice. We will only change your account to one that we believe is a reasonably suitable alternative.

21. Transferring rights and obligations

You may not transfer any obligations or rights, benefits or interests under this agreement or in your accounts (or income from them) or create any security over money in your accounts in favour of someone else unless we say you can in writing.

22. Not enforcing this agreement

We may not always strictly enforce our rights under this agreement; for example, we may allow you to withdraw funds when your account conditions do not allow this. If we do this, it will be just a temporary measure and we may enforce our rights strictly again.

23. How can you complain?

If you feel we have not met your expectations in any way, please let us know so that we can tackle the problem as quickly as possible. We have a three-step procedure to resolve your concerns.

Step 1
Tell us about the problem
Tell us about your complaint and how you think it could be resolved by calling our customer service team on 0345 845 0829.

We will try to resolve your complaint by the end of the third working day after you contact us. If we cannot do this we will write to you within five working days to tell you what we have done to resolve the problem, or acknowledge your complaint and let you know when to expect our full response. We will also let you know the name and contact details of the person or team dealing with your case.

Step 2
Follow-up
To follow up your complaint with our Customer Services Department, you can ask the person you raised your complaint with to refer the matter to them or write to Customer Services Department, Scottish Widows Bank, PO Box 12757, 67 Morrison Street, Edinburgh EH3 8YJ.

Step 3
Contact the Financial Ombudsman Service if you are not satisfied
If you disagree with the decision we make, you may be eligible to refer the matter to the Financial Ombudsman Service free of charge. The Financial Ombudsman Service provides a way of resolving disputes if you are unhappy with something we have done. To understand whether you are eligible to refer the matter to the Financial Ombudsman Service or for further information details are available from us on request or you can get further information at www.financial-ombudsman.org.uk

You may be able to submit a claim through the European Online Dispute Resolution Platform (available at http://ec.europa.eu/consumers/odr/) if you live outside the United Kingdom or if you prefer not to deal directly with the Financial Ombudsman Service.
24. **Law applying to this agreement**

24.1 When the conditions in this agreement first apply to you, if you are:
- a company or other incorporated body and your registered office is in England or Wales or in Northern Ireland;
- a sole trader and your business operates from England, Wales or Northern Ireland;
- an incorporated body and your central management and control is exercised from England, Wales or Northern Ireland; or
- a charity based in England, Wales or Northern Ireland,

we both agree that the relevant law of England and Wales or of Northern Ireland will decide any legal questions about this agreement, and about our dealings with you with a view to entering into it. The courts of England and Wales or Northern Ireland will also be able to deal with any legal questions connected with this agreement.

24.2 When the conditions in this agreement first apply to you, if you are:
- a company or other incorporated body and your registered office is in Scotland;
- a sole trader and your business operates from Scotland;
- an incorporated body and your central management and control is exercised from Scotland; or
- a charity based in Scotland,

we both agree that Scots law will decide any legal questions about it, and about our dealings with you with a view to entering into this agreement. The Scottish courts will also be able to deal with any legal questions connected with this agreement.

24.3 This agreement applies even if any term of it contradicts or overlaps with any law that applies, unless the law says we cannot agree with you to change or exclude the effect of that law.

25. **Third party rights**

This agreement is between the account holder(s) and Lloyds Bank plc trading as Scottish Widows Bank. The terms of the Contracts (Rights of Third Parties) Act 1999 and any other legal third party rights are specifically excluded except to the extent that rights are expressly conferred on other Lloyds Banking Group companies. This means that only the parties to the contract (or their legal successor(s), assignee(s) or other security holders) and other Lloyds Banking Group companies may have contractual rights.

26. **Tax reporting and withholding for customers who are subject to the tax regime of certain other countries (including the US)**

26.1 We (or other companies in the Lloyds Banking Group) may be required by legislation or by agreement with tax authorities to report certain information about you and your relationship with us, including information about your accounts:
- to the tax authorities in the UK, which may then pass that information to the tax authorities in another country where you may be subject to tax; or
- directly to the tax authorities in other countries (such as the US) where we reasonably think or are required to presume you are subject to tax.

26.2 Where we are required to report information about you and/or your relationship with us, including information about your accounts, this information includes (but is not limited to) the account number, the amount of interest paid or credited to the account, the account balance or value, your name, address, country of residence and social security number or taxpayer identification number. In addition, we may need you to provide us with further information, documents or certifications about your identity, tax residence, nationality and status.

26.3 If we are required to report information about your accounts, you agree that:
- you will provide additional information or documents we need from you and that confidentiality rights under applicable data protection, bank secrecy or similar laws will not apply to information we report or obtain from you to comply with our obligations;
- if you do not provide us with information or documents we need, we may (i) apply a withholding tax to amounts, including interest, we pay to you; or (ii) close your account; or (iii) transfer the account to an affiliate in another jurisdiction; and
- we will not be liable to you for any loss you may suffer as a result of our complying with legislation or agreements with tax authorities in accordance with this condition, unless that loss is caused by our gross negligence, wilful default or fraud.

When we participate in the unclaimed assets scheme established under the Dormant Bank and Building Society Accounts Act 2008, it enables money in dormant accounts (i.e., accounts that have been inactive for 15 years or more) to be distributed for the benefit of the community while allowing customers to reclaim their money.

Under the scheme, we may transfer balances of dormant accounts to Reclaim Fund Ltd (RFL), a not-for-profit reclaim fund authorised and regulated by the Financial Conduct Authority.
If we transfer the balance of your account to RFL, you will have the same rights against RFL to reclaim your balance as you would have done against us. However, we remain responsible for managing the relationship with you and for handling all repayment claims on behalf of RFL. Therefore, you should continue to contact us in the usual way if you have any questions or complaints about dormant accounts or balances.

Both we and RFL participate in the FSCS. Any transfer by us to RFL of your balance will not adversely affect any entitlement you have to compensation from the FSCS.

Cancellation

We hope you’re happy with the CAF savings account you have chosen. However, if you are not, you have 14 days from opening the account (or, if you have opened your account by telephone, from the date you receive your conditions if that is later) to cancel it without charge. Just give us your notice in writing by sending it to Scottish Widows Bank, PO Box 12757, 67 Morrison Street, Edinburgh EH3 8YJ. Whenever you cancel, we will repay any credit balance and pay interest on your account for the time your money was with us. Even if you miss the 14-day deadline, you may still close your account in line with the account conditions.

CHAPS

The cut-off time for making CHAPS payments is 3.40pm.

Section E explains how long any payment should take to arrive.

Tax

We will pay your interest gross. This means we will not automatically deduct tax from your interest. You may need to pay tax on the interest you earn and it will be your responsibility to pay any tax you owe to HM Revenue & Customs (HMRC).

Our charges will include our delivery costs (if any) and any tax you have to pay through us. You may have to pay tax which you do not pay us or pay through us.
