Registered charity number 268369

CAF Charities Aid Foundation

Your donation will be taken from your pre-tax salary each pay day which means:

- Your chosen charity will receive a regular income, allowing more effective planning and reduced administration and fundraising costs*
- You will feel proud that you are doing your bit for charity and happy, because you could pay less tax**

**Your donation is taken from your pre-tax salary therefore your tax rate is calculated on a lower amount*

Find out more about donating to your favourite charity straight from your pay...
