

CAF Corporate Services

We enable our clients to achieve long-term, measurable impact for the causes that matter to their organisation.

Thousands of leading companies partner with our expert corporate team to:

SAFEGUARD CORPORATE BUDGETS

The flexibility of our version of a donor advised fund (DAF), the **CAF Company Account**, enables our corporate clients to ring fence their charitable giving budget and distribute funds to UK and international charities from one vehicle.

Our established governance and **charity verification service** gives companies the confidence that their funds will reach their intended causes.

BOOST EMPLOYEE ENGAGEMENT

CAF Give As You Earn, our sector leading payroll giving solution, allows companies to empower their employees to give tax effectively to charity straight out of their pay.

Our flexible fundraising tools, including our **Community Engagement Fund, Staff Charity Fund** and **Matched Giving** capabilities make both workplace fundraising and staff engagement straightforward.

MAXIMISE IMPACT

We can act as an independent critical friend to help companies refine their ambitions, achieve stakeholder buy-in and deliver high impact giving strategies.

We can support with:

Benchmarking and bespoke research

Identifying charitable partners

Measurement frameworks and impact reporting

Why leading companies choose to manage their corporate charitable budget through CAF

- We offer companies full flexibility to donate to a cause or multiple causes of their choosing, on a timeline and a schedule that suits them. We can also support in this, through our charity search and select offering.
- Funds paid in to CAF as a UK charity are eligible for relevant tax relief
- Our charity verification service ensures regulatory compliance is adhered to for all UK and overseas causes
- We support companies to set up and manage corporate foundations in a way that creates maximum value for society and their business
- Our strategic advice, enables our clients to realise and demonstrate ever greater impact through their giving

About Charities Aid Foundation (CAF)

CAF is a leading charity connecting donors, charities and communities to accelerate social progress.

For nearly 100 years, we've acted as a meeting point for companies, private philanthropists, fellow foundations, governments, charities, and not-for-profit enterprises. Our independence, expertise and international reach enable charitable funds to move across sectors and borders and arrive safely to make a greater impact.
