Help [insert your company's name] celebrate Giving Tuesday, one of the world's biggest days of charitable giving.

Now in its fifth year, Giving Tuesday is a global movement with the overall aim of making a world of difference by doing good stuff. It's the perfect opportunity for individuals, companies and employees to give to charities or causes close to their hearts.

We want to help grow Giving Tuesday and hope you will join us. Find out more below on how you can join in with the celebrations.

We're proud to offer you Payroll Giving as part of your employee benefits package. Doing good stuff for Giving Tuesday can be as easy as donating through our Payroll Giving scheme.

- It's a simple way to donate to any UK charities or charitable organisation of your choice, supporting causes that you care about.
- It's a tax-effective way of giving to your favourite charity as the money comes out of your pre-tax salary. The value of your donation to charity is maximised but costs you less.
- You don't need to commit to a large regular donation, just whatever you would like to donate each pay day.
- It's easy to make a donation.
- To sign up, simply complete the donation form located [insert where the employee can access the form].
- For more information, please contact [insert company internal team/individual and contact details].

Once you've signed up, don't forget to share good stuff on social media about your involvement with one of the world's biggest days of charitable giving. Make sure to use the hashtag #givingtuesday to show your support and help grow the campaign.
