What fees are there for share gifting?

If you'd like to gift shares, we can place the proceeds into your CAF Charity Account, please refer to the share gifting fees document. Share gifting is charged separately in addition to your cash contribution.

What fees are there on an overseas donation?

If you wish to make a donation overseas, our network of international offices makes it easy to donate to charitable organisations around the world.

Complete an Overseas Donation Request for the charity you want to donate to. We'll validate the charity for you, to make sure your donation is going to a legitimate project, and arrange for your donation to be paid to them.

Donation	Overseas transaction fee*	Validation fee**
Minimum donation of £250	£20	£35

Please note:

- * The overseas transaction fee is applicable for every overseas donation that is made, with the exception of donations being made to the Channel Islands and Isle of Man.
- ** A validation fee will only be applied when a charity is being validated for the first time. CAF has to satisfy its own legal and regulatory requirements and this requires us to validate the charities you wish to support.
