

YOU HAVE THE WILL, WE HAVE A SIMPLER WAY

At Charities Aid Foundation (CAF), we have over 90 years' experience in connecting our donors to the causes that matter to them.

We have designed our legacy service to make leaving money to charity in a Will, straightforward for you and your clients.

- They can give to as many charities as they wish
- They can change their minds as often as they like without having to amend their Will
- It saves time and expense for executors

Leave a lasting legacy in three easy steps:

1 Name CAF

We provide you with the exact wording making it easy for everyone.

2 Choose the causes

Your clients identify the charities they'd like to support. Our expert advisors can help them if they are unsure who to give to.

3 Letter of Wishes

Your clients list their chosen charities or charitable causes in our Letter of Wishes Form and send it to us.
