## CAF Charitable Trust Guide to Investment Options

The CAF Charitable Trust enables gifted assets to be invested to support a donor's philanthropy. Donors can ask us to consider investing some or all of the assets comprising their CAF Charitable Trust in any combination of the investments shown here in order to support their giving.

Where we accept your investment request, we will aim to action it as soon as reasonably practical but we are unable to accept responsibility or liability for achieving a particular price or value. For further information please see our terms and conditions.

All CAF Charitable Trust donors have the following list of available options. Further investment options are available to premier service donors to provide enhanced investment flexibility, as listed in this document. Please contact a member of our private client team if you wish to upgrade to the premier service or if you would like more information on the available investments and any restrictions that may apply. CAF reserves the right to amend these options from time to time.
