Payroll giving with CAF Give As You Earn

**Email copy:**

Hello [insert name],

I'm aware that we offer payroll giving through CAF Give As You Earn as part of our employee benefits.

I'd like to start using this scheme to make my charitable donations more efficient. I know that some employers match employee donations, is that something you offer?

Could you please let me know how to sign up to the scheme so that I can get started?

Kind regards,
