

CAF CHARITY ACCOUNT

Fee Schedule

CAF will make deductions from your CAF Charity Account for the cost of administering your CAF Charity Account and as a contribution to CAF and our founder, the National Council for Voluntary Organisations (NCVO).

The contribution bands below are indexed annually on 1 May according to the change in the Retail Price Index the previous December and rounded to the nearest £500. The new fee bands will come into effect on 1 May 2020.

The deductions are based on the value of the payments you make into your CAF Charity Account plus the Gift Aid payments between 1 May 2020 and 30 April 2021.

What do we do with the fees?

Your contribution allows us to continue the work we do and supports the National Council for Voluntary Organisations and the other National Councils around the UK. This allows them to provide essential support to charities and run initiatives, ranging from training for trustees to the National Volunteers' Week campaign.

What fees are there for share gifting?

If you'd like to gift shares, we can place the proceeds into your CAF Charity Account, please refer to the share gifting fees document. Share gifting is charged separately in addition to your cash contribution.

What fees are there on an overseas donation?

If you wish to make a donation overseas, our network of international offices makes it easy to donate to charitable organisations around the world.

Complete an Overseas Donation Request for the charity you want to donate to. We'll validate the charity for you, to make sure your donation is going to a legitimate project, and arrange for your donation to be paid to them.

Donation	Overseas transaction fee*	Validation fee**
Minimum donation of £250	£20	£35

Please note:

* The overseas transaction fee is applicable for every overseas donation that is made, with the exception of donations being made to the Channel Islands and Isle of Man.

** A validation fee will only be applied when a charity is being validated for the first time. CAF has to satisfy its own legal and regulatory requirements and this requires us to validate the charities you wish to support.
